

CURRICULUM VITAE

Shannon T. Mejía, Ph.D.

Department of Kinesiology and Community Health
University of Illinois at Urbana-Champaign
George Huff Hall. 1206 S 4th Street. Champaign, IL 61820

Phone: 217.300.3088 • Email: stmejia@illinois.edu

EDUCATION

College of Public Health and Human Sciences, Oregon State University, Corvallis, OR
Ph.D. Human Development and Family Studies, *April 2014*
Minors: Aging Sciences, *Gerontechnology*; Quantitative Methodologies in the Study of Aging

M.S. Human Development and Family Studies, *December 2011*

University of Puget Sound, Tacoma, WA
B.A. Comparative Sociology. Minor: Studio Art

RESEARCH and PROFESSIONAL EXPERIENCE

| | |
|---|-----------------------|
| Assistant Professor Department of Kinesiology and Community Health, <i>University of Illinois at Urbana-Champaign</i> | August 2017 - present |
| Postdoctoral Research Fellow Psychosocial Aging Group and Biosocial Methods Collaborative <i>Institute for Social Research, University of Michigan</i> | 2014 – 2017 |
| Graduate Research Assistant Center for Healthy Aging Research <i>Oregon State University</i> | 2009 – 2014 |
| Director, Culture and Implementation <i>Elite Care Technologies</i> | 2006 – 2008 |
| Der Brüsseler Kreis <i>Summer Practicum/Technology Ambassador</i> | Summer 2006 |
| Co-Founder <i>Methods of Developing Empowerment (MODE) Project, 501c3</i> Community house for single mothers and their children, | 2004 – 2006 |
| Director, Systems Development <i>Elite Care</i> | 2002 – 2006 |

RESEARCH and TEACHING INTERESTS

Life course and life-span perspectives on the development and application of technology to support older adults and their families in aging successfully. Analysis of dyadic data, intensive repeated measures, longitudinal data, paradata, and biological measures of health and aging.

OTHER CURRENT PROJECTS:

Hooker, K., **Mejía, S.T.**, Phibbs, S., Tan, E.J., & Stevens, J. (under review). The effects of age discrimination on future health behaviors through self-perceptions of aging.

Mejía, S.T., Oscar, N., Pham, T., Metoyer, R., & Hooker K. (in preparation). The correlates and implications of older adults' reflections on visual feedback from data on the quality of their daily lives.

Giasson, H., **Mejía, S.T.**, Gonzalez, R., Smith, J. (in preparation). On triumphs and challenges: Positive and negative dimensions of self-perceptions of aging.

PEER REVIEWED PRESENTATIONS on TECHNOLOGY, HEALTH, AND AGING:

S.T. Mejía, K.E. Nielsen, Zainulbhai, H., Carmichael, A., Raichur, V., Gonzalez, R. (under review). Insight into intraindividual variability in life space via GPS monitoring of daily activity. Submitted for consideration to the 11th World Conference of Gerontechnology, St. Petersburg, Florida.

Chaudhry, B., **Mejía, S.T.**, & Jung, H. (2016) Social media for older adults. Half-day workshop at the 8th International Conference on Social Informatics, Seattle, WA. Co-chair.

Mejía, S.T., Oscar, N., Allen, P.A., Hooker, K., Metoyer, R. (2014). Age differences in the cost and benefit of visualizations that (mis)match the complexity of inquiry. Presented in the symposium on *Navigating the Complexity of Daily Life: The Interplay of Emotional, Health, Interpersonal, and Cognitive Processes* at the 67th Annual Scientific Meetings of the Gerontological Society of America, Washington, DC.

Oscar, N., **Mejía, S.T.**, Metoyer, R. (2014). EvaDaVis: Evaluation of data visualization adapted to contingencies of time and need. Position paper for the workshop on user adaptive visualization, at the User Modeling, Adaptation, and Personalization Conference, Vancouver, BC.

Mejía, S.T., Oscar, N., Metoyer, R., Pham, T., Hooker, K. (2013). Older adults use visualization of their data when time is available and need is salient. Presented at the 66th Annual Scientific Meetings of the Gerontological Society of America, New Orleans, CA.

Mejía, S.T., Odden, M., & Hooker, K. (2014). A social approach to end of life care is associated with fewer hospital days in the final months of life. Presented in the symposium on *Epidemiology of Frailty, Disease Burden, and Late-Life Care: Insights for Health Care and Policy* at the 67th Annual Scientific Meetings of the Gerontological Society of America, Washington, DC.

Mejía, S.T., Pham, T., Choun, S., Metoyer, R., & Hooker, K. (November, 2011). The PULSE project: Capturing 100 days of self-regulation. Presented at the 64th Annual Scientific Meetings of the Gerontological Society of America, Boston, MA.

Mejía, S.T. & Hooker, K. (2011) The digital frontier of aging research: Emerging methods in microlongitudinal studies. Symposium at the 64th Annual Scientific Meetings of the Gerontological Society of America, Boston, MA. Chair.

Mejía, S.T., & Hooker, K. (November, 2010). Exploring the behavioral signature of “home” and “family” in a long-term care setting. Presented at the 63rd Annual Scientific Meetings of the Gerontological Society of America, New Orleans, LA.

Lundberg, S.T. (May, 2008). The silvertech frontier: Connectivity and mobility for the older consumer. panel presentation at the UCLA Technology and Aging Conference, Los Angeles, CA.

Lundberg, S.T. (April, 2008). Enhancing community-based care through technology. Presented at the Oregon State University Gerontology Conference, Corvallis, OR.

Lundberg, S.T. (2007). Cultivating a community of support for elders: How the distribution of information can strengthen a person-centered model of care. Workshop at the Oregon Health Care Association Annual Convention. Portland, OR. Chair.

Lundberg, S.T. (November, 2006), The effect of a home environment on operations in community based care. Presented at the American Association of Housing and Services for the Aged annual convention, San Francisco, CA

INVITED PRESENTATIONS on TECHNOLOGY, HEALTH, AND AGING:

Mejía, S.T. (December, 2017) Healthy aging in a digital world: Can engaging with our data help us age well? Presented to the Cognition, Lifespan Engagement, Aging, and Resilience (CLEAR) brownbag series at the Beckman Institute, Urbana-Champaign, IL.

Lundberg, L., **Lundberg, S.T.** (January, 2008). Applying an integrated communication system to enhance community-based care. US Senate Special Committee on Aging, Washington, DC.

Lundberg, S.T. (July, 2007). The international experience: Applying technology to support the human side of long-term care. Keynote presentation at the Information Technology in Aged Care Conference, Melbourne, Australia

Lundberg, S.T. (May, 2007). Elite Care's extended family residences: Utilizing an integrated technology system to enhance community-based care. Presented at the On Lok Sustainable Long-term Care Conference, San Francisco, CA.

Lundberg, S.T. (July, 2006) Leben und Betreuung (Living and Assistance: presented in German). Presented to the Fraunhofer Institute, Duisburg, Germany.

Reed, B., Lundberg, L., **Lundberg, S.T.**, Wolske, N. (December, 2005). Applying technology to benefit residents, staff and family at Elite Care: the future of elder care. Presented at the White House Conference on Aging, Washington, DC.

PEER REVIEWED PRESENTATIONS on ADULT DEVELOPMENT & AGING

Mejía, S.T. & Hooker, K. (2017). Daily health goal pursuit: Does network composition matter? Presented in the symposium on *Daily Experiences in Older Adulthood* at the 2017 National Council on Family Relations annual conference, Orlando, FL.

Nielsen, K.E., Gonzalez, R., **Mejía, S.T.**, & Raichur, V. (2016). Combining biophysiological streams to disentangle cognitive and physical components of everyday life. Late breaker poster presentation at the 69th Annual Scientific Meetings of the Gerontological Society of America, New Orleans, LA.

Chamberlain, J., Raichur, V., Nielsen, K.E., Mejía, S.T., Carmichael, A.G., Gonzalez, R. (2016). Trail making and electrodermal activity in older adults: When does arousal indicate cognition? Late breaker poster presentation at the 69th Annual Scientific Meetings of the Gerontological Society of America, New Orleans, LA.

Mejía, S.T. & Drewelies, J. (2016) Toward Conceptual and Methodological Integration of Bio-Psychosocial Processes and their Timescales. Symposium at the 69th Annual Scientific Meetings of the Gerontological Society of America, New Orleans, LA. Co-chair.

- Mejía, S.T.**, Nielsen, K.E., Carmichael, A.G., Ryan, L.H., Smith, J., Gonzalez, R. (2016). Biophysiological experiences during dishwashing: Implications for experienced well-being. Presented in the symposium *Toward Conceptual and Methodological Integration of Bio-Psycho-Social Processes and Their Timescales* at the 69th Annual Scientific Meetings of the Gerontological Society of America, New Orleans, LA.
- Mejía, S.T.**, Giasson, H., Smith, J., Gonzalez, R. (2016). Couples' shared experiences of aging: perceptions, challenges, and vulnerabilities. Presented in the symposium "*It's All in Your Head*": *Effects of Age-Related Beliefs on Development in Old Age* at the 69th Annual Scientific Meetings of the Gerontological Society of America, New Orleans, LA.
- Mejía, S.T.** & Smith, J. (2016). Midlife health outcomes of high, average, and low school achievers: A prospective analysis of a US "Generation-X" panel. Presented in the symposium on *Lives Through Time: Tracing the Long-term Impact of Sequences of Life Events and Contexts from Early Life to Midlife and Old Age* at the 24th Biennial Meeting of the International Society for the Study of Behavioral Development, Vilnius, Lithuania.
- Smith, J., **Mejía, S.T.** (2016). Tracing lives from high school to midlife: Complex pathways to health at age 40. Presented at the 28th Annual Association for Psychological Science Convention, Chicago, IL.
- Hooker, K., **Mejía, S.T.**, Gonzalez, R. (2016) The "ROI" of an Intraindividual Variability Approach to Personality. Presented in the symposium on *Defined by Change: The Intraindividual Variability Approach to Studying Individual Differences* at the 28th Annual Association for Psychological Science Convention, Chicago, IL.
- Gonzalez, R., Smith, J., **Mejía, S.T.**, Ryan, L.H. (2016). Measures of emotional complexity. Presented in the symposium on *Operationalizing Affective Complexity: Theory, Measurement and applications* at the 28th Annual Association for Psychological Science Convention, Chicago, IL.
- Mejía, S.T.**, Gonzalez, R., Smith, J. (2015). Time together gets under our skins: Bio-marker concordance among couples in older adulthood. Presented in the symposium on *Partners as Contexts for Health and Well-being* at the 68th Annual Scientific Meetings of the Gerontological Society of America, Orlando, FL.
- Mejía, S.T.**, Gonzalez, R., Hooker, K. (2015). Mixed-emotions in daily life: Does retirement make a difference? Presented in the symposium on *The Transition to Retirement: Changes in Activities, Well-Being, and Health* at the 68th Annual Scientific Meetings of the Gerontological Society of America, Orlando, FL.
- Janus, A.S. & **Mejía, S.T.** (2015). Spousal co-caregiving among couples in which both spouses have functional limitations. Presented at the 68th Annual Scientific Meetings of the Gerontological Society of America, Orlando, FL.
- Smith, J., **Mejía, S.T.**, Giasson, H., Becker, S., Gonzalez, R. (2015) Freedom from job stress: Do new activities contribute spice to the lives of retirees? Presented in the symposium on *The Transition to Retirement: Changes in Activities, Well-Being, and Health* at the 68th Annual Scientific Meetings of the Gerontological Society of America, Orlando, FL.
- Gonzalez, R., **Mejía, S.T.**, Dey, R., Elliott, M., Hooker, K., Smith, J. (2015). Doing justice to your research question: New approaches to analyzing data with intensive repeated measures. Presented in the symposium on *Intensive Repeated Measures* at the 68th Annual Scientific Meetings of the Gerontological Society of America, Orlando, FL.
- Mejía, S.T.**, Gonzalez, R., Smith, J. (2015). Experiences get under our skins: Shared stress and telomere length. Presented in the symposium on *Co-Construction of Experience: Couples and Families* at the 27th Annual Association for Psychological Science Convention, New York, NY.

- Mejía, S.T.** (2015) Integrating Biomeasures into the Study of Relationship Development: Biosocial Perspectives on Couple's Shared Experiences Across the Life-span. Symposium at the Society for the Study of Human Development's 9th Bi-Annual Scientific Meeting, Austin, TX. Chair
- Mejía, S.T.** & Chui, H. (2014) Navigating the Complexity of Daily Life: The Interplay of Emotional, Health, Interpersonal, and Cognitive Processes. Symposium at the 67th Annual Scientific Meetings of the Gerontological Society of America, Washington, DC. Co-Chair.
- Mejía, S.T.**, Choun, S., Pham, T., Metoyer, R., Hooker, K. (2014). Daily affect and goal appraisal processes: Hits and surprising misses with the Big 5 personality traits. Presented in the symposium on *Personality Development in Old Age: Potentials and Challenges* at the 67th Annual Scientific Meetings of the Gerontological Society of America, Washington, DC.
- Mejía, S.T.**, Hooker, K., Odden, M., Settersten, R. (2014). Enduring the great recession in late midlife: Interdependence with others and maintaining a sense of control. Presented in the general session on the life course at the 109th Annual Meeting of the American Sociological Society, San Francisco, CA.
- Allen, P.A., **Mejía, S.T.**, Hooker, K. (2014). When life gets in the way: Daily events and regulating goal progress in older adulthood. Presented at the 27th Annual Association for Psychological Science convention, San Francisco, CA.
- Mejía, S.T.** & Hooker, K. (2014). Reaching out to others in the context of daily interpersonal experiences and self. Data Blitz presentation at the annual conference for the Society of Personality and Social Psychology, Austin, TX.
- Mejía, S.T.**, Davidson, J., Lien, L., Nath, R., Thomas, N., Rakshit, K., Allen, P. (2013). A theoretical model to integrate circadian and emotional processes of aging. Presented at the symposium on *Uniting Age-related Changes in the Emotion and Circadian Systems* at the 66th Annual Scientific Meetings of the Gerontological Society of America, New Orleans, LA. Symposium organizer
- Choun, S., **Mejía, S.T.**, Hooker, K. (2013). Dynamic processes of daily health-goal progress and daily affect. Presented at the 66th Annual Scientific Meetings of the Gerontological Society of America, New Orleans, LA.
- Allen, P., **Mejía, S.T.**, Hooker, K. (2013) Personality, self-perceptions and daily variability in perceived usefulness among older adults. Presented at the SPSP Lifespan Social-Personality Preconference, New Orleans, LA.
- Mejía, S.T.**, Davidson, J., & Hooker, K. (2013). Uniting Age-Related Changes in the Emotion and Circadian Systems. Symposium at the 66th Annual Scientific Meetings of the Gerontological Society of America, New Orleans, LA. Symposium organizer.
- Mejía, S.T.**, Choun, S., Pham, T., Metoyer, R., Hooker, K. (2012). Personality and the benefits of close relationships: Daily perceived stress, affect, and contact satisfaction. Presented at the 65th Annual Scientific Meetings of the Gerontological Society of America, San Diego, CA.
- Hooker, K., **Mejía, S.T.**, Pham, T., Metoyer, R., Ram, N. (2012). Burst vs. daily measurement: Issues in capturing intraindividual variability. Presented at the 65th Annual Scientific Meetings of the Gerontological Society of America, San Diego, CA.
- Ko, H., **Mejía, S.T.**, Choun, S., Pham, T., Metoyer, R., Hooker, K. (2012). Consistency in daily goal progress: Possible selves in action. Presented at the 65th Annual Scientific Meetings of the Gerontological Society of America, San Diego, CA.
- Allen, P., **Mejía, S.T.**, Hooker, K., Ko, H., Choun, S., Pham, T., Metoyer, R. (2012). The role of trait neuroticism, self-perceptions of aging, and daily perceptions of usefulness for perceived stress. Presented at the 65th Annual Scientific Meetings of the Gerontological Society of America, San Diego, CA.

Mejía, S.T., & Chui, H. (2012). Social Self-Regulation: Managing Social Experiences and Emotional Well-being in Older Adulthood. Symposium at the 65th Annual Scientific Meetings of the Gerontological Society of America, San Diego, CA. Co-chair.

Choun, S., **Mejía, S.T.**, Pham T., Metoyer, R., & Hooker, K. (2012). Dynamic linkages of personality and health. Presented at the 65th Annual Scientific Meetings of the Gerontological Society of America, San Diego, CA.

Mejía, S.T., & Hooker, K. (November, 2011). The interplay of social support, hindrance and satisfaction in older adults' daily progress towards meaningful goals. Presented at the 64th Annual Scientific Meetings of the Gerontological Society of America, Boston, MA.

Ko, H., **Mejía, S.T.**, Choun, S., Pham, T., Metoyer, R., & Hooker, K. (November, 2011). Possible selves in action: Promoting social goal progress for older adults. Presented at the 64th Annual Scientific Meetings of the Gerontological Society of America, Boston, MA.

Choun, S., **Mejía, S.T.**, Pham, T., Metoyer, R., & Hooker, K. (November, 2010). The effect of traits and states in predicting health goal progress. Presented at the 63rd Annual Scientific Meetings of the Gerontological Society of America, New Orleans, LA

INVITED PRESENTATIONS on ADULT DEVELOPMENT & AGING

Mejía, S.T. (January, 2016). Older adults' health and well-being in the context of shared experiences and daily life. Interdisciplinary Center for Network Science and Application, University of Notre Dame, South Bend, IN.

Mejía, S.T. (December, 2015). Health and well-being in older adulthood: Responses to daily life, shared experiences, and uncertainty. Department of Psychology. SUNY Stony Brook. Stony Brook, NY.

Mejía, S.T. (December, 2013). Social self-regulation: Activating interpersonal resources in response to proximal and social distal forces. Institute of Psychogerontology, Friedrich-Alexander-University Erlangen-Nuremberg, Germany

Mejía S.T., & Hooker, K. (November, 2013). Engaging and disengaging close social partners to regulate emotions over 100-days. Invited presentation for the symposium on *Longitudinal studies of socio-emotional wellbeing: Short-term variability and long-term changes*, chaired by Helena Chui at the 66th annual scientific meetings of the Gerontological Society of America, New Orleans, CA.

Hooker K., & **Mejía, S.T.**, (November, 2013) Examining goal regulation in the health and social domains through the lens of daily variability. Invited presentation for the symposium on *Integrating short-term and long-term change in affect, stress, health, and social processes*, chaired by Annette Brose at the 66th Annual scientific meetings of the Gerontological Society of America, New Orleans, LA.

Mejía, S.T. (June, 2012). Social Partners, social processes, and social interdependence across the lifespan. Institute of Psychogerontology, Friedrich-Alexander-University Erlangen-Nuremberg, Germany

MEDIA COVERAGE

Longtime couples get in-sync, in sickness and in health. By Lindsay Peterson. (May, 2016). NPR Health Blog. <http://n.pr/1W9HqVd>

Being married for decades means that your bodies become biologically alike. By Drake Baer. (May, 2016). New York Magazine, Science of Us Blog. <http://sciof.us/2bssh27>

RESEARCH GRANTS

- NIA R03AG053734 Mejía (PI) 5/2018 – 5/2020
Couples' health to better portray individuals' health, trajectories, and outcomes
Role: Principal Investigator.
- Procter & Gamble Gonzalez (PI) 1/2018 – 6/2018
Development of methodologies to detect the effect of novel products on life space.
Role: Co-Principal Investigator
- Procter & Gamble Gonzalez (PI) 6/1/2017 – 6/2/2018
Immediate and extended emotional and cognitive experiences during the use of novel products.
Role: Co-Principal Investigator
- Procter & Gamble Gonzalez (PI) 10/01/15 – 10/1/16
Personal Experiences of Everyday Routines (PEER) Study of Activities in Older Adulthood.
Identification of the physiological, cognitive, and emotional dimensions of a daily household task.
Role: Co-Principal Investigator

RESEARCH EXPERIENCE

- 2015 – 2017 BioSocial Methods Innovation Collaboration
Richard Gonzalez (Principal Investigator)
The BioSocial Methods Innovation Collaboration will innovate new methods that connect biological and social/behavioral data.
Role: Postdoctoral Research Fellow
- 2014 – 2017 Research on Experienced Well-Being in Older Adulthood
Jacqui Smith (Principal Investigator).
Examination of change in hedonic and non-hedonic dimensions in experiences of well-being in daily life across life transitions such as retirement.
Role: Postdoctoral Research Fellow
- 2013 – 2014 Evaluation of Adaptive Visualizations (EvaDaVis)
Ronald Metoyer (Supervising Faculty)
Examine the benefit and cost of personalized visualizations.
Role: Graduate Student Co-Investigator
- 2009 – 2010 Personal Understanding of Life and Social Experiences (PULSE)
Karen Hooker (Principal Investigator)
A 100-day web study to examine older adults' self-regulatory processes
Role: Graduate Research Assistant

TEACHING EXPERIENCE

Graduate Courses

CHLH 575: Chronic Disease Prevention. (Fall, 2017)

CHLH 577: Program Evaluation. (Spring, 2018)

HDFS 530: Research in Human Development and Family Sciences I & III: Introduction to Quantitative Methods, Graduate Teaching Assistant. (Fall, 2013; Spring, 2014)

Undergraduate Courses

HDFS 361: Applied Research Methodologies. (Winter 2014)

HONORS and AWARDS

- 2017 RAND Summer Institute on Aging, selected attendee and fellow.
- 2016 NIH/OBSSR Matilda White Riley Early Stage Investigator Honors winning article: *Responses to financial loss during the Great Recession: An examination of sense of control in late midlife. Journals of Gerontology Series B: Psychological and Social Sciences.*
- 2014 LIVES Life Course Winter School, selected attendee, les Diablerets, Switzerland
- 2013 Gerontological Society of America Behavioral and Social Sciences Pre-Dissertation Award: *Relationship processes within the social convoy: Structure, function, and social goals. Journals of Gerontology Series B: Psychological and Social Sciences.*
- 2013 Society for Personality and Social Psychology Data Blitz Presentation Selection: *Reaching out to others in the context of daily interpersonal experiences and self*
- 2013 Nationally Elected Chair, Communications and Technology. Emerging Scholars and Professional Organization (ESPO), *Gerontological Society of America,*
- 2013 Graduate Student Travel Award, Graduate School, Oregon State University
Reaching out to others in the context of daily interpersonal experiences and self
- 2011 & 2012 Integrative Graduate Education Research Traineeship (IGERT): LIFE in an Aging Society, *National Science Foundation*
- 2011 Oregon Retired Educators Association Memorial Trust Fund Scholarship
- 2011 College of Health and Human Sciences Art Koski Memorial Travel Award, *Oregon State University*
- 2010 & 2011 College of Health and Human Sciences Josephine Zimmerman Gerontology Fellowship, *Oregon State University*
- 2010 Department of Human Development and Family Sciences Sonin Fellowship, *Oregon State University*
- 2009 College of Health and Human Sciences Buena Maris Mockmore Scholarship, *Oregon State University*

ORGANIZATIONAL ACTIVITIES

Gerontological Society of America, Behavioral and Social Sciences (BSS) section, Communications Chair, Emerging Scholars and Professionals Organization

Association for Psychological Science

American Sociological Society, Aging and the Life Course Section

Society for the Study of Human Development

ORCATECH Council Member (Oregon Center for Aging and Technology)

National Institute on Aging Roybal Center

COMMUNITY SERVICE and VOLUNTEER ACTIVITIES

2013-2015 Elected GSA ESPO Technology and Communications Chair.
2013; 2011 Volunteer: Oregon State University Gerontology Conference
2012; 2011 Center for Healthy Aging Research, Symposium Coordination
2010, 2011 Summer Institute of Research Methods Volunteer
2010 Mentor, Center for Healthy Aging Research LIFE Scholar

JOURNAL REVIEWS

Ad hoc reviewer: *Canadian Journal of Ageing; Frontiers in Psychology; Gerontology; PLOS One; Psychology of Sport & Exercise; Research on Aging; Research on Human Development; The Gerontologist; The Journals of Gerontology: Social Sciences*

64^a, 65^a, 66^a, 67^a, 68^a, 69^a annual meetings of the Gerontological Society of America, Abstract reviewer
