

# Curriculum Vitae

## Wendy A. Rogers

### Address

Department of Kinesiology & Community Health  
University of Illinois Urbana-Champaign  
1206 South 4<sup>th</sup> Street  
M/C 588  
Champaign, IL 61820

(217) 300-1470  
wendyr@illinois.edu  
[www.hfaging.org](http://www.hfaging.org)  
[www.create-center.org](http://www.create-center.org)  
[www.techsage.gatech.edu](http://www.techsage.gatech.edu)

### Education

- 1987 - 1991 Georgia Institute of Technology  
Degree: Doctor of Philosophy in Psychology (1991)  
Thesis: *An analysis of ability-performance relationships as a function of practice and age. (APA Division 21 Briggs Dissertation Award)*  
Degree: Master of Science in Psychology (1989)  
Thesis: *Target and distractor learning in visual search: Age-related differences. (Monie A. Ferst Sigma Xi Thesis Award)*
- 1986 - 1987 University of South Carolina - Doctoral Program  
(transferred to Georgia Institute of Technology)
- 1981 - 1985 Southeastern Massachusetts University (now University of Massachusetts - Dartmouth)  
Degree: Bachelor of Arts in Psychology (1985; *with distinction*)

### Professional History

- January 2017 - present University of Illinois Urbana-Champaign  
Shahid & Ann Carlson Khan Professor of Applied Health Sciences  
Professor – Department of Kinesiology & Community Health (100%)  
Professor – Department of Educational Psychology (0%)  
Affiliate – Beckman Institute for Advanced Science & Technology  
Affiliate – Illinois Informatics Institute
- August 1998 – Dec 2016 Georgia Institute of Technology - School of Psychology  
Adjunct Professor (2017-present)  
Coordinator, Engineering Psychology Program (2013-2016)  
Program Director, Cognitive Aging Training Grant (2012-2016)  
Associate Chair (2002-2004)  
Professor (2001-2016)  
Associate Professor (1998-2001)
- August 1994 - July 1998 University of Georgia - Department of Psychology  
Associate Professor (1996-1998)  
Assistant Professor (1994-1996)
- August 1991 - July 1994 University of Memphis - Department of Psychology  
Assistant Professor (1991-1994)

## Professional Certification

Certificant, Board of Certification in Professional Ergonomics  
 Certified Human Factors Professional (granted 2008; renewed 2013)  
 BCPE Certificate Number 1539

## Visiting Positions

Visiting Researcher (Nov 14-18, 2011) – Human Factors Engineering Group, Institute of Infocomm Research (I2R), Agency for Science, Technology, and Research (A\*STAR), Singapore.

Visiting Scholar – Summer at Census (Aug 16-19, 2010) – Statistical Research Division (SRD), U.S. Census Bureau, Washington, DC.

## Professional and Honor Societies

American Psychological Association

Division 2 – Teaching of Psychology

Division 3 (Fellow) – Experimental Psychology

Division 20 (Fellow) – Adult Development and Aging

Division 21 (Fellow) – Applied Experimental and Engineering Psychology

Division 22 – Rehabilitation Psychology

Division 38 – Health Psychology

Association for Psychological Science (formerly American Psychological Society; charter member)

Association for Computing Machinery

Special Interest Group – Computer Human Interaction

Gerontological Society of America (Fellow)

Formal Interest Groups – Technology & Aging; Center Directors

Human Factors and Ergonomics Society (Fellow)

Technical Groups: Aging, Education, Healthcare, Individual Differences in Performance, Internet, Training

International Society for Gerontechnology

Psi Chi

RESNA – Rehabilitation Engineering and Assistive Technology Society of North America

Sigma Xi

## Honors and Awards

2016 American Psychological Association Prize for Interdisciplinary Team Research awarded to the Center for Research and Education on Aging and Technology Enhancement (CREATE).

2016 Atlanta Magazine Groundbreaker Award for *Using Smart Design to Make Our Environment More Accessible as We Age* – Jon Sanford, Wendy Rogers, Tracy Mitzner for Technologies to Support Successful Aging with Disability (TechSAge)

2016 Fellow, Gerontological Society of America

2014 Oliver Hansen Outreach Award from the Human Factors and Ergonomics Society recognizing “significant activities that broaden awareness of the existence of the human factors/ergonomics profession and the benefits it brings to humankind.”

- 2013 Jack A. Kraft Innovator Award from the Human Factors and Ergonomics Society awarded to the Center for Research and Education on Aging and Technology Enhancement (CREATE)
- 2012 Atlanta Magazine Groundbreaker Award for *Being a Provocative Alternative in Senior Healthcare* –Wendy Rogers, Charles Kemp, and the PR2 Team
- 2010 Paul M. Fitts Education Award – Human Factors and Ergonomics Society
- 2006 Mentor Award – Division 20 of the American Psychological Association and The Retirement Research Foundation
- 2002 Fellow, Human Factors and Ergonomics Society
- 2002 Winner of the HFES Best *Ergonomics in Design* Article Award for:  
Rogers, W. A., Mykityshyn, A. L., Campbell, R. H., & Fisk, A. D. (2001). Analysis of a “simple” medical device. *Ergonomics in Design*, 9, 6-14.
- 2002 Franklin V. Taylor Award for Outstanding Contribution to the Field of Applied Experimental and Engineering Psychology - American Psychological Association (Division 21)
- 2002 Fellow, Division 3 (Experimental Psychology) of the American Psychological Association
- 2000 Fellow, Division 21 (Applied Experimental and Engineering Psychology) of the American Psychological Association
- 1998 Fellow, Division 20 (Adult Development and Aging) of the American Psychological Association
- 1997 Earl A. Alluisi Award for Early Career Achievement in Research on Applied Experimental and Engineering Psychology - American Psychological Association (Division 21)
- 1996 Springer Award for Early Career Achievement in Research on Adult Development and Aging - American Psychological Association (Division 20)
- 1994 Early Career Research Award - The University of Memphis, College of Arts and Sciences
- 1992 Richard M. Griffith Memorial Award - Southern Society for Philosophy and Psychology
- 1992 George E. Briggs Dissertation Award - American Psychological Association (Div. 21)
- 1991 Student Paper Award - Training Technical Group of the Human Factors Society (with Mark D. Lee)
- 1989 Monie A. Ferst Sigma Xi Master's Thesis Research Award
- 1989 Student Paper Award - Training Technical Group of the Human Factors Society (with Mark D. Lee)
- 1988 Student Research Award - Behavioral and Social Sciences Section of the Gerontological Society of America
- 1988-91 National Institutes of Health (National Institute on Aging) Ruth L. Kirschstein National Research Service Award (NRSA) Institutional Research Training Grants: Research Training in Cognitive Aging
- 1987 & 88 New Bedford Police Union Academic Scholarship

## Professional Service Activities

Center for Health Design, Advisory Council for Healthcare at Home (2017)

Board of Directors – Federation of Associations in Behavioral and Brain Sciences (FABBS)  
(Member-at-Large: Jan 2014-Dec 2016)

Advisory Board Member – Atlanta VAMC Rehabilitation Research and Development Center of Excellence for Visual and Neurocognitive Rehabilitation (June 2011-Dec 2016)

Advisory Committee, Emory Center for Health in Aging (June 2010- Dec 2016)

Steering Committee – Design and Technology for Healthy Aging (DATHA) Initiative (March 2009- Dec 2016)

International Program Committee of ICT4AgeingWell 2015: International Conference on ICT for Ageing Well and e-Health (2015)

Board of Certification in Professional Ergonomics (BCPE) Job Analysis Subject Matter Expert Panel (October 2014)

Board of Directors – FABBS Foundation (Secretary: Jan 2009-Dec 2010; Member-at-Large: Jan 2011-Dec 2013)

Aptima Scientific Advisory Board (2012-2014)

SimpleC Science Board (2011-2014)

Consultant – General Hospital and Personal Use Devices Panel of the Medical Devices Advisory Committee, Center for Devices and Radiological Health, Food and Drug Administration (June 2011-2014)

Judge, Silicon Valley Boomer Venture Summit and Business Plan Competition (May 2010)

Scientific Advisory Board, SeniorSMART Center for South Carolina (2007-2009)

Member, National Academy of Science Committee on Human Factors (2006-2008)

Program Committee, 3<sup>rd</sup> Yearly Usability Symposium – Symposium of the WG HCI & US of the Austrian Computer Society - Medical Usability & HCI for Health Care (2007)

Coordinator of Congressional Briefing – cosponsored by the Human Factors & Ergonomics Society and the Federation of Behavioral, Cognitive, and Psychological Sciences

<i>Preventing the Number One Causes of Crashes: Driver Safety through Human Factors Science</i>	November 13, 2007
---	-------------------

Coordinator of Science Forums – cosponsored by the Human Factors & Ergonomics Society and the Federation of Behavioral, Cognitive, and Psychological Sciences, Washington, DC

<i>Human Factors Research in Science and Technology</i>	November 13, 2006
<i>Education: Accelerating U.S. Competitiveness</i>	
<i>Homeland Security Applications of Human Factors and Ergonomics Research</i>	November 17, 2005
<i>Human Factors and Patient Safety Research</i>	October 15, 2004

Council of Scientific Society Presidents (2004-2005)

External Review Committee for Research in Technology Management at Eindhoven University of Technology; for QANU – Quality Assurance Netherlands Universities (January 2005)

National Research Council Steering Committee for Workshops on Adaptive Aging: From Gerontology to Technology (2002-2003)

National Steering Committee - Wayne State University Institute of Gerontology (2002-2005)  
Secondary Co-chair 2003-2004; Lead Co-Chair 2004-2005

Technical Advisory Group for "Lexicon of Technologies in Long-Term Care Settings" at the Polisher Research Institute (Philadelphia Geriatric Center) (2003)

Board of Directors of Cognitive Aging Conference, Inc. (1999-2016)

Advisory Board Member, Center for Aging and Cognition: Health, Education & Technology  
(1998-2003)

## **Professional Society Activities**

### American Psychological Association

Editor Search Committee Co-Chair (2016) – *Journal of Experimental Psychology: Human Perception and Performance* and *Journal of Experimental Psychology: General*

Editor Search Committee Member (2015) – *American Psychologist*

Science Showcase Steering Committee (2011)

Advisory Board – Office of Applied Psychological Science (2007-2008)

Council Member: Council on Division/APA Relations (1998-2000)

Division 21 - Applied Experimental and Engineering Psychology

List Server Manager (1996-2002)

Awards Chair (1999)

President-Elect, President, Past-President (1996-1999)

Golden Anniversary Commission Representative (1996-1997)

Nominations and Elections Committee (1995-1997)

Member-at-Large, Executive Committee (1995-1996)

Program Chair (1995 Annual Meeting)

Special Membership Committee (1994)

Program Committee (1993-1996)

Division 20 - Adult Development and Aging

Reviewer (1997 Annual Meeting)

External Organization Linkage (1994-1996)

Reviewer, Pre-Doctoral and Post-Doctoral Research Awards (1994, 1998)

### Human Factors and Ergonomics Society

President-Elect, President, Past-President (2003-2006)

Professionalism Subcouncil (chair 2005-2006)

Chair of Federation Events (2004-2007)

International Ergonomics Association Representatives Committee (2004-2008)

Faculty Advisor – Georgia Tech HFES Student Chapter (1999-2016)

Executive Committee (2003-2006)

Corporate Activities Subcouncil (2003-2006; chair 2004-2005)

Finance and Budget Committee (2003-2005)

Parliamentarian (2003-2004)

Policy and Planning Committee (2003-2006; chair 2003-2004)

Nominations and Elections Committee (2003-2004)

Professional Standards Committee (2002-2003)

Keynote Speaker Selection Ad hoc Committee to the Technical Program Committee (2003)

Annual Meeting Policy Committee (2001-2002)

Executive Council (1997-2000)

Executive Committee Member (1998-2000)

Chair of Subcouncil on Internal Relations (1998-2000)

Chair of Subcouncil on External Relations (1997-1998)

Chair of Student Affairs (1995-1998)

*Ergonomics in Design* Award Committee (1995, 1999, 2001, 2004)

Local Organizing Committee (1994 Annual Meeting)

Aging Technical Group

Reviewer (1994-1996, 1998-2001 Annual Meetings)

Program Chair (1992, 1993 Annual Meetings)

Award Chair, Arnold M. Small Memorial Award (1993)

Executive Committee, International Ergonomics Association

Individual Differences in Performance Technical Group

Secretary-Treasurer (1994-1996)

Training Technical Group

Secretary-Treasurer (1996-1998)

Reviewer (1997, 1998 Annual Meetings)

Program Chair (1995 Annual Meeting)

### Gerontological Society of America

Editor Search Committee Member (2017) – *Journal of Gerontology: Psychological Sciences*

Coordinator, Mentorship Committee - Behavioral and Social Sciences Section (1989-1990)

Student Representative, Executive Board - Behavioral and Social Sciences Section (1988-1990)

Committee Member, Student Paper Award (1989)

### Other Societies

Reviewer, Conference on Human Robot Interaction (2015)

Reviewer, ACM SIGCHI Conference on Human Factors in Computing Systems (2003; 2015)

Reviewer, International Society for Gerontechnology (2008)

Program Committee, Georgia Gerontology Society (2004)

Reviewer, Triennial Congress of International Ergonomics Association (1994)

Local Arrangements, Southern Society for Philosophy and Psychology (1992)

## **Continuing Education**

Understanding Excel Workshop (August 2010)

T-Square Training – Basics (web based course management tool; 2008)

Teaching Fellow, Georgia Tech Center for Enhancement of Teaching and Learning (1998-1999)

WebCT Training (web based course management tool; 1998)

Introduction to WebCT; Navigation and Organization; Customizing WebCT

Human Performance in Complex Systems, tutorial sponsored by Division 21 of American

Psychological Association (March, 1998)

Cognitive Modeling for Virtual Reality, tutorial sponsored by Division 21 of American

Psychological Association (February, 1997)

Emerging Issues in Differential Psychology: Human Factors Implications of Individual

Differences in Work and Activities of Daily Living, tutorial sponsored by Division 21 of American Psychological Association (March, 1996)

Human Factors and Ergonomics Society Workshop (October, 1995)

Questionnaire Design and Use: A Primer for Practitioners

American Society on Aging Summer Series (June, 1995)

In-home Capability and Environmental Assessment

In-home Assistive Technology and Environmental Modification

## Editorial/Reviewing Activities

Chief Editorial Advisor – American Psychological Association (2015-present)

Advisory Board:

*Innovation in Aging* (2017-2018)

Editor:

*Journal of Experimental Psychology: Applied* (incoming 2007; editor 2008-2013)

Advisory Board:

*Current Directions in Psychological Science* (2009-2012)

Associate Editor:

*Human Factors* (2005-2006)

*Ergonomics in Design* (1994-2005)

Editorial Boards:

*Human Factors* (1990-2004)

*Psychology and Aging* (1997-2000)

Grant Reviewing:

Fondation pour la Recherche Médicale (September 2016)

Flemish Agency for Innovation and Entrepreneurship (August 2016)

Retirement Research Foundation (July 2016)

National Institutes of Health, Special Emphasis Panel: Understanding and Promoting Health Literacy (February 2015)

Israeli Ministry of Science, Technology, and Space (February 2015)

National Science Foundation (June 2009; April 2013; Sept 2014)

Oregon Roybal Center for Aging & Technology (ORCATECH) Pilot Grant (June 2013)

Natural Sciences and Engineering Research Council of Canada (July 2012)

Health Research Council of New Zealand (February 2008)

National Institute of Disability and Rehabilitation Research: RERC on Technologies for Successful Aging (March 2007)

State of South Carolina (January 2007)

National Institutes of Health, Special Emphasis Panel: Aging Systems and Geriatrics (March 2004)

National Institutes of Health, Special Emphasis Panel on Aging - Small Business

Innovation Research and Small Business Technology Transfer (March 1998; August 1996; April 1996)

National Institutes of Health, Human Development Review Panel - Ad Hoc Reviewer (February 1997)

National Institutes of Health, Biological and Clinical Aging Review Committee (October 1995; November 1994)

Claude Pepper Older Americans Independence Center Pilot Grant Competition

Ad Hoc Reviewer - Journals:

*Aging, Neuropsychology, and Cognition*

*American Psychologist*

*Applied Cognitive Psychology*

*Applied Ergonomics*

*Behaviour and Information Technology*

*Canadian Journal of Communication*

*Developmental Neuropsychology*

*Developmental Psychology*

*Diabetes Technology & Therapeutics*

*Ergonomics*

*Experimental Aging Research*

*Foundations and Trends in HCI*

*Gerontechnology*

*Gerontologist*

Harcourt-Brace Publishers  
Human Factors & Ergonomics Society

Kluwer Academic Publishers  
Norton Publishers  
Oxford University Press

**Research Grants and Contracts**

*Center for Research and Education on Aging and Technology Enhancement IV (CREATE IV)*  
(7/1/15 - 3/30/20) [P01 AG17211]

National Institutes of Health (National Institute on Aging): Wendy A. Rogers, Principal Investigator for GT/UI site “PRISM 2.0 and Dissemination Core.” \$508,288 direct costs; \$777,772 total costs)

*Supplement to CREATE IV* (9/15/16 for 3/31/17) [P01 AG17211-17S3]

Administrative Supplement to support international collaboration on technology acceptance research. National Institutes of Health (National Institute on Aging): Wendy A. Rogers, Principal Investigator (\$63,052 direct; \$100,000 total costs)

*Supplement to CREATE IV* (9/1/16 for 3/31/17) [P01 AG17211-17S2]

Research Supplement to Promote Diversity in Health-Related Research from the National Institutes of Health (National Institute on Aging): Wendy A. Rogers, Principal Investigator; Christina Harrington - Student (\$44,588 direct; \$60,032 total costs)

*Technologies to Support Successful Aging with Disability* (10/1/13 - 9/30/18) [H133E130037]

National Institute on Disability, Independent Living, and Rehabilitation Research (NIDILRR), Rehabilitation Engineering Research Center (RERC). Jon Sanford, Wendy A. Rogers, Tracy L. Mitzner, Co-Principal Investigators (\$3,168,864 direct; \$4,624,977 total costs) (Rogers' component: \$671,106 direct; \$933,094 total costs)

*Research Training in Cognitive Aging* (07/01/1988 - 04/30/2020) [T32AG000175]

National Institutes of Health (National Institute on Aging) Ruth L. Kirschstein National Research Service Award (NRSA) Institutional Research Training Grant: Program Directors Wendy Rogers and Audrey Duarte. (2015-2020 budget: \$1,638,500 direct costs; \$1,737,580 total costs) (Project Director through December 31, 2017)

*System for Tracking and Managing Pain (STAMP)* (August 15, 2012-August 14, 2013)  
[R43 TR 000474]

Phase I Small Business Innovation Research Grant from the National Center for Advancing Translational Sciences (National Institutes of Health). Camilla Knott, Principal Investigator for Aptima and Wendy A. Rogers, Principal Investigator for Georgia Tech. (Subcontract from Aptima to GT: \$28,219 direct; \$39,600 total costs).

*Assistive Mobile Manipulation for Older Adults at Home* (June 1, 2010 – May 31, 2012)

Willow Garage: Charlie Kemp, Wendy A. Rogers, James Rehg, Andrea Thomaz, Tracy Mitzner, & Brian Jones (technology grant: PR2 Beta Robot ~value \$400,000)

*Center for Research and Education on Aging and Technology Enhancement III (CREATE III)* (8/1/09 – 7/31/14 ext to 7/31/15) [P01 AG17211]

National Institutes of Health (National Institute on Aging): Wendy A. Rogers and Arthur D. Fisk, Co-Principal Investigators for “Advancing health and well-being in the home environment through technology.” (Funding for Rogers/Fisk component: \$1,702,000 direct costs; \$2,517,510 total costs)

*Technology Acceptance – Phase IV* (April 1, 2008 – September 30, 2009)

Deere & Company: Koert van Ittersum, Wendy A. Rogers, Arthur D. Fisk, & Leonard Parsons, Co-Principal Investigators (\$147,331 direct costs; \$227,030 total costs)

*Technology Acceptance – Phase III* (January 1, 2007 – December 31, 2007)

Deere & Company: Koert van Ittersum, Wendy A. Rogers, Arthur D. Fisk, & Leonard Parsons, Co-Principal Investigators (\$194,062 direct costs; \$292,590 total costs)

*Technology Acceptance – Phase II* (January 1, 2006 – December 31, 2006)

Deere & Company: Wendy A. Rogers, Arthur D. Fisk, Leonard Parsons, & Koert van Ittersum, Co-Principal Investigators (\$103,364 direct costs; \$154,579 total costs)

*Center for Research and Education on Aging and Technology Enhancement II (CREATE II)* (8/15/04 - 7/31/09) [P01 AG17211]

National Institutes of Health (National Institute on Aging): Wendy A. Rogers and Arthur D. Fisk, Co-Principal Investigators for “Design of collaborative systems.” (Funding for Rogers/Fisk component: \$829,975 direct costs; \$1,237,326 total costs)

*Supplement to CREATE: Design of Collaborative Systems* (10/1/06 - 9/30/08)

National Institutes of Health (National Institute on Aging): Wendy A. Rogers, Principal Investigator; Jamye Hickman - Minority Student (\$55,277 direct; \$82,363 total costs)

*Designing Memory Surrogates in an Aware Home* (7/1/03 - 6/30/04)

Georgia Tech Broadband Institute Research Project: Elizabeth D. Mynatt & Wendy A. Rogers, Co-Principal Investigators (\$20,000 total costs)

*The Aware Home: Sustaining the Quality of Life for an Aging Population* (10/1/01-8/31/07) [ITR Grant 0121661]

National Science Foundation Information Technology Research Grant: Gregory Abowd, Wendy Rogers, Elizabeth Mynatt, Aaron Bobick, Irfan Essa, Co-Principal Investigators (\$1,096,240 in direct costs; \$1,647,747 total costs)

*Task Strategies, Aging, and Skill Acquisition* (9/15/99 - 9/14/04 ext to 8/31/05) [R01 AG18177]

National Institutes of Health (National Institute on Aging): Wendy A. Rogers - Principal Investigator (\$280,906 in direct costs; \$412,282 total costs)

*Supplement to: Task Strategies, Aging, and Skill Acquisition* (8/16/02 - 8/15/04)

National Institutes of Health (National Institute on Aging): Wendy A. Rogers - Principal Investigator, Jamye Hickman - Minority Student (\$50,767 direct; \$71,567 total costs)

*Center for Research and Education on Aging and Technology Enhancement (CREATE)* (9/1/99 - 8/31/04) [P01 AG17211]

National Institutes of Health (National Institute on Aging): Arthur D. Fisk and Wendy A. Rogers, Co-Principal Investigators for "Age-related training for technology use". (Funding for Fisk/Rogers component: \$416,009 in direct costs; \$661,639 total costs)

*Supplement to CREATE: Functional abilities and everyday competence* (4/1/02 - 3/31/03)

- National Institutes of Health (National Institute on Aging): Wendy A. Rogers and Arthur D. Fisk, Co-Principal Investigators (\$8,000 in direct costs; \$11,976 total costs)  
*NIOSH Supplement to CREATE* (8/1/00 - 7/31/02)  
 National Institute for Occupational Safety and Health: Arthur D. Fisk and Wendy A. Rogers, Co-Principal Investigators (\$12,675 in direct costs; \$19,000 total costs)  
*Aware Home: Supporting Aging in Place - Seed Grant* (9/1/99 - 8/31/00)  
 Graphics, Visualization, and Usability Seed Grant: Elizabeth Mynatt, Wendy A. Rogers, Jim Rowan, Co-Principal Investigators (\$20,000 in direct costs)  
*Center for Aging and Cognition: Health, Education, and Technology (CACHET)* (7/1/98 - 6/30/03) [P50 AG11715]  
 National Institutes of Health (National Institute on Aging) Edward R. Roybal Center for Research on Applied Gerontology: Wendy A. Rogers and Arthur D. Fisk, Co-Principal Investigators for "Principled design and instruction for medical interventions" (Funding for Rogers/Fisk component: \$483,603 in direct costs; \$712,962 total costs)  
*Center for Applied Cognitive Research on Aging* (8/2/93 - 7/31/98) [P50 AG11715]  
 National Institutes of Health (National Institute on Aging): Wendy A. Rogers and Arthur D. Fisk, Co-Principal Investigators for "Principled training of daily living tasks in the aged" (Funding for Rogers' component: \$306,369 in direct costs; \$408,961 total costs)  
*Understanding the Development of Automatic Processes in Young and Old Adults* (1/04/93 - 8/20/93)  
 Faculty Research Grant, The University of Memphis: Wendy A. Rogers, Principal Investigator (\$3,160)  
*Assessing the relationships between skilled memory tasks and basic cognitive abilities as a function of age* (9/1/92 - 8/31/93)  
 Subcontract, Georgia Institute of Technology (Arthur D. Fisk - Principal Investigator): Memphis Component - Wendy A. Rogers, Principal Investigator (\$6,500)  
*Perceptual and Psychomotor Speed Abilities in Young and Old Adults: Effects of Practice and Computerized Administration* (1/1/92 - 9/30/92)  
 Biomedical Research Grant, U.S. Public Health Service: Wendy A. Rogers, Principal Investigator (\$4,090)  
*Assessing the Cognitive Abilities of Older Adults: Measuring 'Maximal' Performance* (11/30/91 - 6/30/92)  
 Faculty Research Grant, University of Memphis: Wendy A. Rogers, Principal Investigator (\$2,906)

## Research Foundation Gifts

*Research and Technology Center of Robert Bosch LLC (to W. A. Rogers & C. C. Kemp Dept. of BME)*

2013 \$60,000

2012 \$20,000

*Humana (through GVU)*

2011 \$10,000

2010 \$3,500

*Deere & Company (to W. A. Rogers & A. D. Fisk)*

7/15/12 \$1,750

8/19/11 \$91,000

4/15/07

\$60,000

8/10/11 \$40,000

6/7/06

\$50,000

10/15/10	\$55,000	1/10/06	\$50,000
8/17/10	\$30,000	8/15/05	\$50,000
4/1/10	\$39,000	6/14/05	\$95,500
3/15/10	\$38,000	1/20/05	\$48,500 (\$24,200 subcontract to College of Management)
9/24/09	\$86,285	10/1/04	\$74,400
6/24/09	\$86,285	3/5/04	\$35,000
3/30/09	\$86,285	10/24/03	\$20,000
9/15/08	\$50,000	8/12/03	\$35,750
6/15/08	\$50,000	3/15/03	\$35,000
3/17/08	\$50,000	8/15/02	\$20,000
9/15/07	\$55,000	11/21/01	\$30,000
6/15/07	\$60,000	6/11/01	\$22,000

### **Workshops/Tutorials**

- Rogers, W. A., & Gallagher, T. M. (planned, June 2017). *Meeting users' needs through*

- technology: Guidance from policy and research.* Rehabilitation Engineering and Assistive Technology Society (RESNA) Annual Conference, New Orleans, LA.
- Sanford, J., Rogers, W. A., Jones, B., & Kapusta, A. (planned, June 2017). *Smart and robotic homes.* Rehabilitation Engineering and Assistive Technology Society (RESNA) Annual Conference, New Orleans, LA.
- Mitzner, T. L., Sanford, J. A., & Rogers, W. A. (2016, July). *RERC: Technologies to support successful aging with disability.* Rehabilitation Engineering and Assistive Technology Society (RESNA) Annual Conference, Arlington, VA.
- Singleton, J. L., Gonzalez, E. T., Mitzner, T. L., & Rogers, W. A. (2016, July). *Everyday technology use by Deaf seniors.* 53<sup>rd</sup> Biennial National Association of the Deaf Conference, Phoenix, AZ.
- Mitzner, T. L., Rogers, W. A., & Sanford, J. A. (2015, June). *Moving forward with technologies for successful aging with disability.* Rehabilitation Engineering and Assistive Technology Society (RESNA) 2015 Annual Conference, Denver, CO.
- Sanford, J. A., Rogers, W. A., & Mitzner, T. L. (2014, June). *Current and future directions in technologies for successful aging with disability.* Rehabilitation Engineering and Assistive Technology Society (RESNA) 2014 Annual Conference, Indianapolis, IN.
- Rogers, W. A. (2013, November). *Design for Aging.* Technical University of Berlin, Germany.
- Mitzner, T. L., O'Brien, M. A., & Rogers, W. A. (2012, May). *Emerging technologies for healthcare and aging.* ACM SIGCHI Conference on Human Factors in Computing System, Austin, TX.
- Rogers, W. A. (2011, November). *Design for aging.* Human Factors Engineering Group, Institute of Infocomm Research (I2R), Agency for Science, Technology, and Research (A\*Star), Singapore.
- Rogers, W. A., & Fisk, A. D. (2010, December). *Designing for older adults.* Tokyo Institute of Technology, Tokyo, Japan.
- Rogers, W. A. (2010, August). *Involving older adults in research and usability studies.* U.S. Census Bureau. Washington, DC.
- Fausset, C. B., Kelly, A., Mitzner, T. L., Rogers, W. A., & Fisk, A. D. (2010, March). *Focus groups and aging.* American Society on Aging. Chicago, IL.
- O'Brien, M. A., Fausset, C., & Rogers, W. A. (2008, September). *Translating science into practice: Design principles for older users.* IFA's 9<sup>th</sup> Global Conference on Ageing. Montreal, Canada.
- Rogers, W. A. (2007, September). *Cognitive aging and training.* Oticon Human Link Conference. Boston, MA.
- Rogers, W. A. (2006, November). *Linking Graduate and Undergraduate Education.* Center for the Enhancement of Teaching and Learning (Georgia Tech), Atlanta, GA.
- Rogers, W. A. (2006, January & December). *Cognitive aging: Memory.* Professional Development in Gerontology Certificate Program. Athens, GA.
- Rogers, W. A., & Czaja, S. J. (2001, February). *Designing for older users: Theory into practice.* SPRY conference on Older Adults, Health Information, and the World Wide Web. Bethesda, MD
- Rogers, W. A., & Czaja, S. J. (2000, April). *Designing for the older user.* ACM SIGCHI Conference on Human Factors in Computing Systems. The Hague, Netherlands
- Rogers, W. A. (1999, October). *Human factors issues in technology use by older adults.* Georgia Gerontological Society. Young Harris, GA.

Fisk, A. D., & Rogers, W. A. (1999, April). *Human factors: What it is and how to select an expert*. Defense Research Institute. New Orleans.

### **Invited Workshop/Forum Participant**

- The President's Council of Advisors on Science and Technology (PCAST). *Workshop on Aging*. Washington, DC (January 7, 2015)
- International Conference on Intelligent Robots and Systems (IROS) Workshop: *Assistive robotics for individuals with disabilities: HRI issues and beyond*. Chicago, IL (September 14, 2014)
- Computing Community Consortium: *Trans-NIH/Interagency Workshop on the use and development of assistive technology for the aging population and people with chronic disabilities*. Bethesda, MD (September 10-11, 2014)
- Human Robot Interaction Conference Workshop: *Socially assistive robots for the aging population: Are we trapped in stereotypes?* Bielefeld, Germany (March 3, 2014)
- ACM SIGCHI Conference on Human Factors in Computing Systems Workshop: *Patient-Clinician Communication: The Roadmap for HCI*, Paris, France (April 28, 2013)
- American Psychological Association Science Leadership Conference, Washington, DC (November 11-13, 2010)
- ACM SIGCHI Conference on Human Factors in Computing Systems Workshop: *Senior-Friendly Technologies: Interaction Design for Seniors*, Atlanta (April 2010)
- Food & Drug Administration (FDA) Meeting: *Home use medical devices*, Washington, DC (May 22-23, 2008).
- United Kingdom Government Workshop: *Foresight project on mental capital and well-being*, London, England (March 6-7, 2008).
- American Psychological Association and Columbia University Working Group: *Defining vulnerability in minimal risk behavioral and psychological research*, Columbia, NY (November 9-10, 2007).
- American Psychological Association Science Leadership Conference, Washington, DC (October 13-15, 2007)
- National Institute on Aging & the McKnight Brain Research Foundation Cognitive Aging Summit: invited talk: *Cognitive Augmentation through Technology*, Washington, DC (October 10-11, 2007)
- Coalition for National Science Foundation Capitol Hill Exhibition, Washington, DC (June 22, 2004)
- National Institute on Aging Symposium: *Cognitive Training for Older Adults*, Bethesda, MD (March 1, 2004)
- Food and Drug Administration Center for Devices and Radiological Health via the Food and Drug Law Institute Meeting: *Use of Medical Devices in the Home Environment*, Washington, DC (June 6, 2002)
- White House Forum: *Technologies for Successful Aging* (October 4-5, 2000). Sponsored by the White House Office of Science and Technology Policy.
- Congressional Briefing: *Healthy Aging: What does the research tell us? Addressing the technology needs of older Americans* (May 18, 2000). HC-9 U.S. Capitol, Washington, DC.
- ACM SIGCHI Conference on Human Factors in Computing Systems Workshop: *Senior CHI Development Consortium*, Pittsburgh (May 1999)

American Psychological Association Science Directorate and Public Policy Office Science Advocacy Training Workshop, Washington, DC (July 1999)

Claude D. Pepper Older Americans Independence Center, the Center for Applied Cognitive Research on Aging, and Department of Psychology - University of Michigan, Cognition and Aging Research Retreat, Ann Arbor, MI (May 1997)

Air Force Human Resources Laboratory Workshop: *Implications of Automaticity and Multiple Resources Theory to Systems Design and Training*, Wright-Patterson Air Force Base, Dayton, OH. (July 1989)

### **Invited Panel Participant**

*What do gerontologists know that designers don't?* (2015, November). Technology and Aging Interest Group Symposium, Gerontological Society of America, Orlando, FL.

*Inclusive and people-centered design.* (2015, October). 2nd WHO Global Forum on Innovation for Ageing Populations, Kobe, Japan.

*Concluding session: Creating tomorrow.* (2015, October). 2nd WHO Global Forum on Innovation for Ageing Populations, Kobe, Japan.

*The Future of Human Factors and Ergonomics: Charting a Course for our Profession* (2013, October). Human Factors and Ergonomics Society Annual Meeting; San Diego, CA.

*Fitts Education Award Winners: Teaching Human Factors & Ergonomics* (2012, October). Human Factors and Ergonomics Society Annual Meeting; Boston, MA.

*University Challenges in Home Health Care* (2012, March). Symposium on Human Factors and Ergonomics in Health Care: Bridging the Gap; Baltimore, MD.

*Rethinking Elder Design* (2010, September). Human Factors and Ergonomics Society Annual Meeting; San Francisco, CA.

*Approaches in Developing Innovative Product Concepts and Ideas Involving End-User Perspectives in the early Stage* (2010, September). Human Factors and Ergonomics Society Annual Meeting; San Francisco, CA.

*Joining the Publication Pipeline: How to Review a Manuscript* (2009, August). American Psychological Association Graduate Student Track; Toronto, ON, Canada.

*How to Publish your Manuscript* (2009, August). American Psychological Association Graduate Student Track; Toronto, ON, Canada.

*Working at the University-Industry Interface – Researcher's Perspective* (2009, April). Eighth Meeting of the University-Industry Demonstration Partnership (UIDP) – National Academy of Sciences, Irvine, CA

*Ergonomics professionalism: A panel discussion* (2007, October). Human Factors and Ergonomics Society Meeting, Baltimore, MD.

*Succeeding in today's high tech marketplace---jobs, internships, networking, mentors* (2004, July). American Psychological Association Meeting, Honolulu, HI.

*Technology: A means for enhancing the independence and connectivity of older people* (2004, April). ACM SIGCHI Conference on Human Factors in Computing Systems, Vienna.

*Senior CHI: How can we make technology “elder-friendly”?* (1999, May). ACM SIGCHI Conference on Human Factors in Computing Systems, Pittsburgh.

### **Invited Presentations – International**

Rogers, W. A. (2016, September). *Psychological research to guide technology design that supports successful aging.* The 14<sup>th</sup> Psychology and Aging Congress Bordeaux, France.

- Rogers, W. A. (2016, September). *Reaching the potential of technology to support healthy aging: From apps to robots*. Inria Research Center "Interfaces" Aquitaine Scientific Symposium for Digital Sciences. Bordeaux, France.
- Rogers, W. A. (2015, October). *Design and deployment of technology to support healthy aging*. Department of Economics, Business, and Marketing, University of Groningen, The Netherlands.
- Rogers, W. A. (2015, September). *The potential of technology supports for healthy aging: From apps to robots*. Chinese Congress and Exposition on Gerontology and Health Industry, Suzhou, China.
- Rogers, W. A. (2014, June). *Human-robot interaction: Understanding the potential for older adults*. Department of Product and Media Design, Fo Guang University, Jiaosi, Taiwan.
- Rogers, W. A. (2014, March). *Human-robot interaction issues for older adults*. University of Applied Sciences, Frankfurt, Germany.
- Rogers, W. A. (2013, November). *Human-robot interaction: Understanding the potential for older adults*. Paul B. Baltes Lecture, Leibniz Hall at the Berlin-Brandenburg Academy of Sciences, Berlin, Germany.
- Rogers, W. A. (2011, November). *Human-robot interaction: Understanding the potential of personal robots for older adults*. Human Factors Engineering Group, Institute of Infocomm Research (I2R), Agency for Science, Technology, and Research (A\*STAR), Singapore.
- Rogers, W. A. (2010, December). *Principles of human factors approaches for gerontechnology*. Advanced Industrial Science and Technology (AIST) Gerontechnology Forum and International Society for Gerontechnology Japan Chapter Annual Meeting, Tokyo, Japan.
- Rogers, W. A., & Fisk, A. D. (2009, June). *Collaborative systems for older adults' home care*. TNO Symposium on Electronic Partners for Self- and Tele-Care, Soesterberg, The Netherlands.
- Rogers, W. A. (2009, March). *The intersection of human factors and cognitive aging research*. 19th Annual Rotman Research Institute Conference on Cognitive Aging Research and Practice, Toronto, Ontario.
- Rogers, W. A. (2006, December). *Supporting aging-in-place in an aware home*, Nanyang Technological University, Singapore.
- Rogers, W. A. (2005, January). *Human factors and aging in an aware home*. Presented at Philips Research Laboratory, Eindhoven, The Netherlands.
- Rogers, W. A., and Fisk, A. D. (2004, October). *Human factors at home: Supporting the functional independence of older adults*. Presented at the Annual Meeting of the Human Factors and Ergonomics Society European Chapter, Delft, The Netherlands.
- Fisk, A. D., Sanchez, J., Johnson, J. D., and Rogers, W. A. (2004, October). *Can we trust automated collaborative systems? Reliability, error type, and user age*. Presented at the Annual Meeting of the Human Factors and Ergonomics Society European Chapter, Delft, The Netherlands.
- Rogers, W. A. & Czaja, S. J. (2004, April). *Center for Research and Education on Aging and Technology Enhancement (CREATE) – HCI Overview*. Computer Human Interaction Conference on Human Factors in Computing Systems, Vienna, Austria.

- Rogers, W. A. (2003, August). *Bringing psychological science to technology: Enhancing quality of life for older adults*. Taylor Award Address, Annual Meeting of the American Psychological Association, Toronto, Canada.
- Rogers, W. A. (2002, September). *Psychology meets technology: Supporting functional independence for older adults at home*. Technische Universiteit Eindhoven, The Netherlands.
- Rogers, W. A. (2001, October). *How human factors contributes to the World Wide Web and "aware" homes*. Tokyo Institute of Technology, Tokyo, Japan.
- Rogers, W. A. (1999, October). *Prevalence of technology in health and leisure for older adults*. Third International Conference on Gerontechnology, Munich, Germany.
- Rogers, W. A. (1999, October). *Training older adults to use technology: Issues from the use of ATMs*. Third International Conference on Gerontechnology, Munich, Germany.
- Rogers, W. A., Jamieson, B. A., Mead, S. E., & Rousseau, G. K. (1995, December). *Instructional needs for computerized library catalogs*. Invited Keynote Address, Second International Symposium on Cognition and Education: A Multidisciplinary Perspective, Varanasi, India.
- Rogers, W. A. (1995, July). *Use of new technology by older adults: Automatic teller machines*. Berlin Geriatric Center, Berlin, Germany.
- Rogers, W. A. (1995, July). *Do performance strategies mediate age-related differences in associative learning?* University of Potsdam, Potsdam, Germany.

### **Invited Presentations – United States**

- Rogers, W. A. (planned 2017, November). Keynote: *TBD*. HIV & Aging Conference: Mitochondria to the Metropolis. Emory University, Atlanta, GA.
- Rogers, W. A. (planned 2017, May). Presidential Scholar Address: *Psychological research to guide technology design that supports successful aging*. The Association for Behavioral Analysis International Annual Meeting. Denver, CO.
- Rogers, W. A. (2016, March). *Design of technology for healthy aging: From apps to robots*. The University of Akron's Institute for Lifespan Development and Gerontology's 40th Anniversary Celebration. Akron, OH.
- Rogers, W. A. (2016, March). *Aging and technology: How do we know what works?* University of Kansas Gerontology Center. Lawrence, KS.
- Rogers, W. A. (2015, April). *Using psychological research to help people age successfully*. Wood Elementary School, Fairhaven, MA
- Rogers, W. A. (2014, October). *The potential of technology supports for healthy aging: From apps to robots*. University of Alabama at Birmingham Comprehensive Center for Healthy Aging Annual Meeting, Birmingham, AL
- Rogers, W. A. (2014, August). *Aging, healthcare, and technology design*. Geriatric and Gerontology Grand Rounds Lecture Series sponsored by the Emory University Department of Medicine Division of General and Geriatric Medicine, Emory Center for Health in Aging, and the Atlanta Regional Geriatric Education Center, Atlanta, GA
- Rogers, W. A. (2014, April). *Using the power of research to help us age successfully*. USA Science and Engineering X-STEM – Extreme STEM Symposium for K-12 Students, Washington, DC.

- Rogers, W. A. (2014, April). *Robot support for independent aging*. Atlanta VA Medical Center Rehabilitation R&D Center of Excellence for Visual and Neurocognitive Rehabilitation (CVNR), Atlanta, GA.
- Rogers, W. A. (2012, November). *Human factors and aging: Design of robots to support independent aging*. Washington University, St. Louis, WA.
- Rogers, W. A. (2012, November). *Human factors and aging: Design of robots to support independent aging*. Brandeis University, Waltham, MA.
- Rogers, W. A. (2011, April). *Human factors and aging: Design of technology to support successful aging*. Aptima: Human Centered Engineering, Washington, DC.
- Rogers, W. A. (2011, April). *Understanding the potential for personal robots to support independent living for older adults*. Red River Undergraduate Psychology Conference, Concordia, MN.
- Rogers, W. A. (2011, March). *Human factors and aging research to support successful aging*. Red River Undergraduate Psychology Conference, Concordia, MN.
- Rogers, W. A., & Mitzner, T. L. (2010, December). *Design of technology to support healthy aging*. Humana Emerging Technology Day, Louisville, KY.
- Rogers, W. A. (2010, November). *Human-robot interaction: User-centered design of robots to support aging-in-place*. Joint meeting of the Usability Professionals Association and the Potomac Chapter of the Human Factors and Ergonomics Society, Washington, DC.
- Rogers, W. A. (2010, November). *Designing technologies to enable aging-in-place*. Furman University, Furman, SC.
- Rogers, W. A. (2010, August). *Supporting successful aging through scientific research on design and training*. U.S. Census Bureau, Washington, DC.
- McLaughlin, A. C., Rogers, W. A., & Fisk, A. D. (2010, April). Using direct and indirect input devices: Attention demands and age-related differences. *Computer-Human Interaction*, Atlanta, GA. (Invited as authors of TOCHI papers in 2009.)
- Rogers, W. A. (2009, November). *Designing technologies to enable aging-in-place*. Distinguished speaker series on Health-Assistive Smart Environments at Washington State University, Pullman, WA.
- Duncan, J., & Rogers, W. A. (2009, September). *University-industry collaborations advance innovation in complex product design*. Georgia Product Development and Management Association Summit, Atlanta, GA.
- Fisk, A. D., Caine, K., & Rogers, W. A. (2009, March). *Privacy and monitoring technologies: Views from research*. Presented at Aging in America the Annual Conference of the American Society on Aging and the National Council on Aging, Las Vegas, Nevada.
- Rogers, W. A. (2009, February). *Human factors and aging*. Design and Technology for Healthy Aging Meeting, Atlanta, GA.
- Rogers, W. A. (2008, October). *Aware Home technology to support aging in place*. Indiana University School of Informatics Colloquium Series, Bloomington, IN.
- Rogers, W. A. (2008, August). *The potential of Aware Home technology*. Kimberly-Clark Headquarters, Roswell, GA.
- Rogers, W. A. (2007, September). *Acceptance of technology by older adults*. Oticon Human Link Conference, Boston, MA.
- Ezer, N., Fisk, A. D., & Roger, W. A. (2007, September). *Training to collaborate in distributed environments: When humans and agents are teammates*. AFRL/HEA Conference on Continuous Learning in Collaborative Distributed Environments, Mesa, Arizona.

- Rogers, W. A. (2007, July). *Selection and design of input devices for automotive technologies*. General Motors Human Factors Speaker Series, Detroit, MI.
- Rogers, W. A. (2006, October). *Aware home technologies for older adults: Understanding acceptance and reliance issues*. Fall 2006 Distinguished Cognitive Science Colloquium, Mississippi State University, Starkville, MS.
- Rogers, W. A. (2006, October). *Supporting older adults' memory needs with aware home technology: Improving quality of life through science*. Community Presentation, Mississippi State University, Starkville, MS.
- Rogers, W. A. (2006, August). *Supporting aging-in-place in an aware home*. Presented at the American Psychological Association as the Division 21 President's Invited Lecture.
- Rogers, W. A. (2006, April). *Supporting aging-in-place in an aware home environment through engineering psychology*. UMass Dartmouth 3<sup>rd</sup> Annual Regional Undergraduate Psychology Conference, North Dartmouth, MA.
- Rogers, W. A. (2006, January). *Support for memory and aging in an aware home*. Presented at the Kennesaw State University Professional Gerontology Certificate Meeting, Kennesaw, GA.
- Rogers, W. A. (2005, October). *Smart house and aware home technologies*. Presented at the Scripps Gerontology Center Conference on Changing Spaces: New Models for Long-term Caring, Columbus, OH.
- Rogers, W. A. (2005, September). *Who knows about human factors and ergonomics? More people than you might think*. Presidential Address at the Human Factors and Ergonomics Society Annual Meeting, Orlando, FL.
- Rogers, W. A. (2005, May). *Human factors for the future home: Enabling functional independence of older adults*. Keynote speaker at the American Association of Technology in Psychiatry Conference, Atlanta, GA.
- Rogers, W. A. (2005, April). *Human factors for the future home: Enabling functional independence of older adults*. Keynote speaker at the Southeastern Undergraduate Psychology Research Conference, Huntsville, AL.
- Rogers, W. A. (2005, March). *Human factors and aging in an aware home*. Presented at the Virginia Tech Student Chapter of the Human Factors and Ergonomics Society, Blacksburg, VA.
- Rogers, W. A. (2005, February). *Current research on memory supports in an aware home*. Presented at the Consortium on Active Retirement and Aging (CARA). Center for Active Retirement Education, Kennesaw State University, Kennesaw, GA.
- Rogers, W. A. (2005, January). *Human factors and aging in an aware home*. Presented at the Georgia Mason University Student Chapter of the Human Factors and Ergonomics Society, Fairfax, VA.
- Rogers, W. A. (2005, January). *Supporting Aging-in-Place in an Aware Home Environment*. Presented at the Ohio State University Institute for Ergonomics, Columbus, OH.
- Rogers, W. A. (2005, January). *Human factors and aging in an aware home*. Presented at the Ohio State University Student Chapter of the Human Factors and Ergonomics Society, Columbus, OH.
- Rogers, W. A. (2004, November). *Understanding the relationship between age, trust, and reliance on automated systems*. Presented at the University of Dayton HFES Student Chapter, Dayton, OH.
- Rogers, W. A. (2004, November). *Human factors and aging in an aware home*. Southern Ohio

- Chapter of the Human Factors and Ergonomics Society, Dayton, OH.
- Fisk, A. D., Rogers, W. A., Mynatt, E., Melenhorst, A. S. (2004, September). *The GT Aware Home: A computer science and human factors psychology success story*. Presented at the AARP "Aging By Design" Conference, Waltham, MA.
- Rogers, W. A. (2004, June). *Human factors at home: Supporting the functional independence of older adults*. Potomac Chapter of the Human Factors and Ergonomics Society, Washington, DC.
- Rogers, W. A. (2004, June). *The Aware Home Research Initiative at Georgia Tech: Supporting functional independence of older adults*. Georgia State University Gerontology Center Alumni Meeting, Atlanta, GA.
- Rogers, W. A. (2004, April). *Psychological science and intelligent home technology: Supporting functional independence of older adults*. The Shell Science Seminar at the National Science Teachers Association National Convention, Atlanta, GA.
- Rogers, W. A. (2003, November). *Human factors at home: Supporting the functional independence of older adults*. Keynote Address at the Student Conference Supported by the New England Chapter of the Human Factors and Ergonomics Society, Boston, MA.
- Rogers, W. A. (2003, November). *Center for Research and Education on Aging and Technology Enhancement (CREATE)*. Liberty Mutual Research Center, Hopkinton, MA.
- Rogers, W. A. (2003, March). *Psychology meets technology: Fulfilling the potential for technology to enhance the lives of older adults*. University of Montevallo, AL.
- Rogers, W. A. (2003, February). *Developing an "aware" home*. Collaborative Strategies Seminar Series sponsored by the Atlanta Regional Commission, Atlanta, GA.
- Rogers, W. A. (2003, February). *Human factors and aging: Supporting functional independence for older adults at home*. University of Texas, Austin, TX.
- Rogers, W. A. (2002, April). *How can technology contribute to the quality of life of older adults?* Conference on "The Technology of Humanity", sponsored by the Institute of Psychology, Illinois Institute of Technology, Chicago, IL.
- Rogers, W. A. (2002, April). *Cognition in the context of the home: Supporting functional independence for older adults*. The National Institute on Aging Workshop on Cognition in Context. Bethesda, MD
- Rogers, W. A. (2002, March). *Human factors contributions to technology design and training for older adults*. Center for Future Health, University of Rochester, Rochester, NY.
- Rogers, W. A. (2002, March). *Fulfilling the potential for technology to enhance the lives of older adults*. Invited Address at the Southeastern Psychological Association Meeting, Orlando.
- Fisk, A. D., Rogers, W. A., Sierra, E., & McLaughlin, A. C. (2002, February). *Facilitating users' cognitive knowledge: Matching instructional media to task demands*. CACHET Conference on Understanding your Doctor's Instructions, St. Petersburg, FL.
- Rogers, W. A., & Fisk, A. D. (2001, October). *User interface evaluation: Touchscreen versus rotary encoder*. Invited Address at the John Deere Visioning Conference, Moline, IL.
- Rogers, W. A., & Fisk, A. D. (2001, October). *Technology design, usability, and aging: Human factors considerations*. 15<sup>th</sup> Pennsylvania State University Gerontology Center Conference: "The Impact of Technology on Successful Aging", State College, PA.
- Rogers, W. A. (2001, September). *Human factors contributions to the design and training of technology for older adults*. Virginia Tech, Blacksburg, VA.

- Rogers, W. A., Pak, R., & Stronge, A. J. (2001, June). *The information super highway: Roadblocks and access roads for older adults*. Johns Hopkins University Symposium on Aging and Associated Disabilities in the Information Age, Baltimore, MD.
- Rogers, W. A. (2001, April). *The potential for technology to benefit the lives of older adults: Maintaining independence and connections*. Closing Keynote Address, Southern Gerontological Society, Lexington, KY.
- Rogers, W. A. (2000, November). *Human factors contributions to the design and training of home medical devices for older adults*. University of Michigan, Ann Arbor, MI.
- Rogers, W. A. (2000, November). *Design and training of home medical devices for older adults: Human factors contributions*. Xavier University, Cincinnati, OH.
- Rogers, W. A. (2000, April). *Enabling use of technology by older adults: Human factors contributions*. Southern Society for Philosophy and Psychology, Atlanta, GA.
- Rogers, W. A. (1999, November). *Assuring effective use of home medical devices by older adults: Human factors contributions*. Carolina Chapter of the Human Factors and Ergonomics Society, Raleigh, NC.
- Rogers, W. A. (1999, November). *What is human factors and ergonomics?* Methodist College Psi Chi Chapter, Fayetteville, NC.
- Rogers, W. A. (1999, October). *Human factors issues in technology use by older adults*. Georgia Gerontology Society, Young Harris, GA.
- Fisk, A. D. & Rogers, W. A. (1999, August). *Influence of training and experience on skill acquisition and maintenance in older adults*. Fifth World Congress on Physical Activity, Aging, and Sports, Orlando, FL.
- Rogers, W. A. (1999, May). *Training older adults to use communications technologies*. German American Academic Council Conference on Communication and Older Adults, Ann Arbor, MI.
- Rogers, W. A., Huff, M. M., Mead, S. E., & Lamson, N. (1999, March). *Human factors applications for technology use by older adults*. SPRY Foundation Conference on Older Adults, Health Information, and the World Wide Web, Bethesda, MD.
- Rogers, W. A. (1998, November). *Older adults and new technologies: Human Factors Applications*. University of Alabama, Tuscaloosa, AL.
- Rogers, W. A. (1998, October). *Overview, introduction, and practice-research bridge - President's Forum on Making Technology Accessible for Older Adults*. Human Factors and Ergonomics Society, Chicago, IL.
- Rogers, W. A. (1998, August). *Applied experimental psychology contributions to enabling technology use by older adults*. Combined Presidential and Alluisi Award Address, Annual Meeting of the American Psychological Association, San Francisco, CA.
- Huff, M. M., & Rogers, W. A. (1998, June). *An age-related view of computer literacy for African-Americans*. Memphis Research Symposium: Focus on Communication and Literacy in African Americans, Memphis, TN.
- Rogers, W. A. (1998, March). *Technology design and training: Applications of psychology*. University of Central Florida Student Chapter of the Human Factors and Ergonomics Society, Orlando, FL.
- Rogers, W. A., & Fisk, A. D. (1998, January). *Implications of human factors for an aging population*. Georgia Consortium on the Psychology of Aging, Athens, GA.
- Rogers, W. A. (1997, October). *Older adults and new technologies*. North Carolina State University Colloquium Series, Raleigh, NC.

- Rogers, W. A. (1997, April). *Predicting and influencing cognitive strategies in associative learning*. Georgia Consortium on the Psychology of Aging, Athens, GA.
- Rogers, W. A., Rousseau, G. K., & Lamson, N. (1997, February). *Maximizing the effectiveness of the warning process: Understanding the cognitive variables that interact with age*. Center for Applied Cognitive Research on Aging Conference on Aging and Medical Information Processing, Destin, FL.
- Rogers, W. A. (1996, May). *Older adults and new technologies: Automatic teller machines and online library catalogs*. Gerontology Student Symposium, Athens, GA.
- Rogers, W. A. (1996, April). *Attention overview paper*. Sixth Cognitive Aging Conference, Atlanta, GA.
- Rogers, W. A. (1996, March). *Individual differences and human factors: The importance of style, personality, and ability variables*. Midyear Meeting of Division 21 (Applied Experimental and Engineering Psychology) of the American Psychological Association, Washington, D. C.
- Rogers, W. A. (1995, February). *Age-related differences in long-term retention of skills*. Southeastern Center Conference on Aging and Skill, Destin, FL.
- Rogers, W. A. (1995, January). *Automatic teller machines: Who uses them and why doesn't everyone?* Georgia Consortium on the Psychology of Aging, Atlanta.
- Rogers, W. A. (1993, August). *Understanding skill acquisition through individual differences analysis: An age-related perspective*. Briggs Dissertation Award Address, American Psychological Association Annual Meeting, Toronto, Canada.
- Rogers, W. A. (1993, March). *Aging and learning*. American Psychological Association Third Annual Scientific Psychology Forum, Washington. D. C.
- Rogers, W. A. (1992, April). *Predicting skilled performance from cognitive and speed ability levels: Models of practice effects for young and old adults*. Richard M. Griffith Memorial Award Address, Annual Meeting of the Southern Society for Philosophy and Psychology, Memphis, TN.
- Fisk, A. D. & Rogers, W. A. (1991, October). *Toward effective skills training: Automaticity and more*. Training Effectiveness Conference, Michigan State University, East Lansing, MI.
- Fisk, A. D. & Rogers, W. A. (1991, March). *An age-related perspective on skill development*. Conference on Human Error, Institute for the Study of Human Capabilities, Bloomington, IN.
- Fisk, A. D. & Rogers, W. A. (1990, July). *An automatic component approach to real-time diagnosis of skill development*. Cognitive Skills Acquisition Workshop (C-SAW '90), sponsored by AFOSR/AFHRL, San Antonio, TX.
- Rogers, W. A. (1990, March). *Age-related information processing differences in search performance*. Sigma Phi Omega Student Convention for Gerontology and Geriatrics, Athens, GA.
- Rogers, W. A. (1988, July). *Age-related differences in perceptual learning: Strength differentiation of targets and distractors*. National Institute on Aging, Francis Scott Key Medical Center, Baltimore, MD.
- Fisk, A. D. & Rogers, W. A. (1987, November). *Associative and priority learning in memory and visual search: A theoretical view of age-dependent practice effects*. National Institute on Aging Working Conference on Aging and Attention, Bethesda, MD.

### Conferences, Panels, and Symposia (*organizer*)

- Rogers, W. A. (accepted for 2017, July). *Design of technologies to support successful aging with disability*. International Association of Gerontology and Geriatrics/Gerontological Society of America, San Francisco, CA.  
Participants: Brad Fain, Maribeth Gandy, Elena Gonzalez, Claudia Rebola, Jon Sanford
- Rogers, W.A. (2017, March). *Design for older adult consumers of health IT: Best practice guidance from CREATE*. International Symposium on Human Factors and Ergonomics in Health Care, New Orleans, LA.  
Participants: Walter Boot, Neil Charness, Sara Czaja
- Rogers, W. A. (2016, November). *A spotlight on technologies for individuals aging with a mobility impairment*. Gerontological Society of America, New Orleans, LA.  
Participants: Elena Gonzalez, Ted Johnson, Tracy Mitzner, Jon Sanford  
Discussant: Alex Mihailidis.
- Rogers, W. A. (2015, April). *Designing interventions for successful aging: Findings from CREATE*. International Association of Gerontology and Geriatrics European Region Congress, Dublin, Ireland.  
Participants: Walter Boot, Neil Charness, Sara Czaja, Wendy Rogers
- Rogers, W. A., McBride, S. E., Fisk, A. D., Duncan, J., & Hoffman, J. (2011, November). *Automation and human performance research summit*. Sponsored by Deere & Company, Moline, IL.  
Participants: Missy Cummings, Frank Durso, Alex Kirlik, John Lee, Kathy Mosier, Raja Parasuraman, Nadine Sarter, Tom Sheridan, & Chris Wickens.
- Rogers, W. A. (2010, September). *Facilitating university-industry collaborations in human factors and ergonomics*. Human Factors & Ergonomics Society Annual Meeting, San Francisco, CA.  
Participants: Barry Beith, Jerry Duncan, Mica Endsley, Peter Hancock
- Rogers, W. A. (2009, November). *Human computer interaction issues for older adults*. Gerontological Society of America Annual Meeting, Atlanta, GA.  
Participants: Neil Charness, Sara Czaja, Jenay Beer, Marita O'Brien  
Discussant: Elizabeth Mynatt
- Rogers, W. A. (2009, August). *Health at home: Findings from the CREATE center*. American Psychological Association Annual Meeting, Toronto, ON, Canada.  
Participants: Neil Charness, Sara Czaja, Tracy Mitzner, Katherine Olson
- Rogers, W. A. (2008, August). *Engineering psychology at the Georgia Institute of Technology*. American Psychological Association Annual Meeting, Boston, MA.  
Participants: Elsa Eiriksdottir, Cara Fausset, Ken Hailston, C. J. Hutto, Nick Kelling, Andrew Mayer, Ray Stanley  
Discussant: Arthur D. Fisk
- Rogers, W. A. (2007, May). *Design of home healthcare technologies for older adults*. Living rooms: Human factors and industrial design contributions to the home as a health care venue, Washington, DC.  
Participants: Arthur D. Fisk, Jay Lundell, John Peifer
- Rogers, W. A. (2006, August). *Issues of technology acceptance by older adults: Findings from CREATE*. American Psychological Association, New Orleans, LA.  
Participants: Tracy Mitzner, Neil Charness, Sara Czaja, Arthur D. Fisk  
Discussant: Frank Durso

- Rogers, W. A., Fisk, A. D., Charness, N., Czaja, S. J., Dijkstra, K., & Sharit, J. (2006, April). *CREATE Healthcare Summit*, Atlanta, GA.
- Charness, N., Czaja, S., Fisk, A. D., & Rogers, W. A. (2002, November). *Fourth International Congress on Gerontechnology—Creative Use of Technology for Better Aging*, Miami, FL.
- Rogers, W. A. (2001, August). *Older adults and new technologies: Psychological research initiatives*. American Psychological Association, San Francisco, CA.  
Participants: Sara Czaja, Tim Nichols, Neil Charness, Joseph Sharit  
Discussant: Bill Howell.
- Rogers, W. A., & Fisk, A. D. (2000, February). *Center for Applied Cognitive Research on Aging Conference on Human Factors Interventions - Health Care of Older Adults*, Destin, FL.  
Participants: Barry Beith, Neil Charness, Sara Czaja, Daryle Gardner-Bonneau, Alex Kirlik, Art Kramer, Dan Morrow, Denise Park, Constance Qualls, Tom Sheridan, Richard Schulz, Andy Smith, Max Vercruyssen, Neff Walker, Pamela Whitten
- Rogers, W. A. (1996, August,). *Applied experimental research in gerontology*. American Psychological Association, Toronto, Canada.  
Participants: Karlene Ball, Sara Czaja, Jared Jobe, Roger Morrell.
- Rogers, W. A. (1995, August). *Cognition and Aging*. American Psychological Association, New York, NY.  
Participants: Rob Barr, Arthur D. Fisk, Arthur Kramer, Leah Light, and Timothy A. Salthouse.
- Rogers, W. A., Fisk, A. D., & Walker, N. (1995, February). *Southeastern Center Conference on Aging and Skill Acquisition*, Destin, FL.  
Participants: Phillip L. Ackerman, Neil Charness, Fergus I. M. Craik, Sara J. Czaja, Mark Detweiler, Donald L. Fisher, Arthur D. Fisk, Richard Jagacinski, Arthur F. Kramer, David E. Meyer, Roger W. Morrell, Raja Parasuraman, Wendy A. Rogers, Neff Walker.
- Rogers, W. A. (1994, August). *Applied Cognitive Aging Research*. American Psychological Association, Los Angeles, CA.  
Participants: Robin Barr, Arthur D. Fisk, Roger W. Morrell, Denise C. Park, Wendy A. Rogers, Neff Walker.

### Conference Presentations

- McGlynn, S. A., & Rogers, W. A. (accepted for Aug 2017). *Towards a psychological model of presence in virtual environments*. American Psychological Association, Washington, DC.
- Rogers, W. A., & Fisk, A. D., (accepted for Aug 2017). *CREATE at Georgia Tech*. American Psychological Association, Washington, DC.
- McGlynn, S. A., & Rogers, W. A. (March 2017). *Considerations for presence in teleoperation*. Human-Robot Interaction Conference, Vienna, Austria.
- Stuck, R., E., Hartley, R. E., Mitzner, T. L., Beer, J. M., & Rogers, W. A. (March 2017). *Understanding attitudes of adults aging with mobility impairments toward telepresence robots*. Human-Robot Interaction Conference, Vienna, Austria.
- Barg-Walkow, L. H., & Rogers, W. A., (March 2017). *Strategies for multiple task coordination in emergency departments*. HFES 2017 International Symposium on Human Factors and Ergonomics in Health Care, New Orleans, LA.
- Marris, M. T., & Rogers, W. A., (March 2017). *The value of smart home laboratories to support older adults' home health-care needs*. HFES 2017 International Symposium on Human

- Factors and Ergonomics in Health Care, New Orleans, LA.
- Bixter, M.T., Prakash, A., Blocker, K.A., Mitzner, T., & Rogers, W. A. (2016, November). *A qualitative analysis of the adoption and use of social communication technologies by older adults*. Gerontological Society of America 69<sup>th</sup> Annual Meeting, New Orleans, LA.
- Blocker, K.A., Insel, K., Koerner, K.M., & Rogers, W. A. (2016, November). *Understanding the medication adherence strategies of older adults with hypertension*. Gerontological Society of America 69<sup>th</sup> Annual Meeting, New Orleans, LA.
- Boot, W., Charness, N., Rogers, W. A., Czaja, S., & Sharit, J. (2016, November). *Leisure and the PRISM system: What differentiates gamers from non-gamers in the PRISM sample?* Gerontological Society of America 69<sup>th</sup> Annual Meeting, New Orleans, LA.
- Charness, N., Yoon, J.S., Boot, W., Czaja, S., Sharit, J., Rogers, W. A., & Mitzner, T. (2016, November). *Depression as a predictor of memory complaints in the PRISM sample*. Gerontological Society of America 69<sup>th</sup> Annual Meeting, New Orleans, LA.
- Chong, A.W., Bixter, M.T., & Rogers, W. A. (2016, November). *Age-related differences in medication risk taking and susceptibility to social influence*. Gerontological Society of America 69<sup>th</sup> Annual Meeting, New Orleans, LA.
- Czaja, S., Sharit, J., Lee, C.C., Rogers, W. A., Mitzner, T., Charness, N., & Boot, W. (2016, November). *Why do older adults at risk for isolation value a computer system: Findings from the PRISM trial*. Gerontological Society of America 69<sup>th</sup> Annual Meeting, New Orleans, LA.
- Gonzalez, E., Singleton, J.L., Mitzner, T., & Rogers, W. A. (2016, November). *Everyday technology use among Deaf older adults*. Gerontological Society of America 69<sup>th</sup> Annual Meeting, New Orleans, LA.
- Mitzner, T., Hartley, J., Stuck, R., Chan, L., Beer, J., & Rogers, W. A. (2016, November). *Being there: Attitudes about televideo technology for adults aging with a mobility impairment*. Gerontological Society of America 69<sup>th</sup> Annual Meeting, New Orleans, LA.
- Preusse, K., Gonzalez, E., Singleton, J.L., Mitzner, T., & Rogers, W. A. (2016, November). *Aging with impairment: Needs assessment insights from subject matter experts*. Gerontological Society of America 69<sup>th</sup> Annual Meeting, New Orleans, LA.
- Rogers, W. A., Mitzner, T., Savla, J., Czaja, S., Charness, N., Boot, W., & Sharit, J. (2016, November). *Predictors of long-term PRISM use*. Gerontological Society of America 69<sup>th</sup> Annual Meeting, New Orleans, LA.
- Sharit, J., Czaja, S., Charness, N., Boot, W., Rogers, W. A., & Mitzner, T. (2016, November). *Contrasting highest and lowest users of the PRISM system*. Gerontological Society of America 69<sup>th</sup> Annual Meeting, New Orleans, LA.
- Stuck, R., Chong, A., Mitzner, T., & Rogers, W. A. (2016, November). *Human factors analysis of medication management apps*. Gerontological Society of America 69<sup>th</sup> Annual Meeting, New Orleans, LA.
- McGlynn, S. A., Geiskkovitch, D., Mitzner, T. L., & Rogers, W. A. (September, 2016). PARO's stress-reduction potential for older adults. *Human Factors and Ergonomics Society 59<sup>th</sup> Annual Meeting*, Washington, DC.
- Preusse, K. C., & Rogers, W. A. (September, 2016). Error interpretation during everyday automation use. *Human Factors and Ergonomics Society 59<sup>th</sup> Annual Meeting*, Washington, DC.
- Mitzner, T. L., Stuck, R. E., Hartley, J. Q., Chan, L., Beer, J. M., & Rogers, W. A. (2016,

- September). *Televideo technology: Benefits and barriers perceived by older adults with a mobility impairment*. International Society for Gerontechnology, Nice, France.
- Rogers, W. A., Mitzner, T. L., Savla, J., Czaja, S. J., Charness, N., Boot, W., & Sharit, J. (2016, September). *Technology acceptance over time for PRISM users*. International Society for Gerontechnology, Nice, France.
- Hartley, J. Q., Matalenas, L., Mitzner, T.L., & Rogers, W. A. (2016, August). *Kinect games for older adults: Understanding usability challenges*. Georgia Gerontology Society Annual Conference, Jekyll Island, GA.
- McGlynn, S. A., & Rogers, W. A. (2016, August). *Investigating daily predictors of emotion level and variation in older adulthood*. Georgia Gerontology Society Annual Conference, Jekyll Island, GA.
- Preusse, K. C., Gonzalez, E. T., Mitzner, T. L., Singleton J. L., & Rogers, W. A. (2016, April). *Older adults with visual impairments: Potential barriers to social connectedness*. Cognitive Aging Conference, Atlanta, GA.
- McGlynn, S. A., & Rogers, W. A. (2016, April). *Understanding intraindividual variability in positive and negative affect in older adults*. Cognitive Aging Conference, Atlanta, GA.
- Bixter, M. T., Prakash, A., Blocker, K. A., Mitzner, T. L., & Rogers, W. A. (2016, April). *Designing social networking applications for older adults: Insights from current users and non-users*. Cognitive Aging Conference, Atlanta, GA.
- Geiskkovitch, D., Y., McGlynn, S. A., Mitzner, T. L., & Rogers, W. A. (2016, April). *Using the PARO robot to reduce stress in older adults during a cognitively demanding task*. Cognitive Aging Conference, Atlanta, GA.
- Rogers, W. A., Harrington, C. N., Barg-Walkow, L. H., Hartley, J. Q., & Mitzner, T. L., & (2015, November). *Designing a quick start guide for Kinect game use by older adults*. Gerontological Society of America 68<sup>th</sup> Annual Meeting, Orlando, FL.
- Gonzalez, E., Sanford, J. A., Rogers, W. A., & Mitzner, T. L., & (2015, November). *Re-conceptualizing the impact of aging on disability: Implications for technology interventions*. Gerontological Society of America 68<sup>th</sup> Annual Meeting, Orlando, FL.
- Rogers, W.A., Singleton, J., Mitzner, T. L., Gonzalez, E., & Preusse, K. C. (2015, October). *Needs assessment for individuals aging with impairment*. Human Factors and Ergonomics Society Europe Chapter. Groningen, The Netherlands.
- Harrington, C. N., Mitzner, T.L., & Rogers, W.A. (2015, October). *Identifying the gaps in available assistive technologies to support healthy aging*. Human Factors and Ergonomics Society Europe Chapter. Groningen, The Netherlands.
- McGlynn, S. A., Geiskkovitch, D., Mitzner, T.L., & Rogers, W.A. (2015, October). *Understanding the potential of the PARO robot as a stress reduction tool for older adults*. Human Factors and Ergonomics Society Europe Chapter. Groningen, The Netherlands.
- Rogers, W. A., & Mitzner, T.L. (2015, August). *Technologies to support successful aging with disabilities: A framework for design*. American Psychological Association, Toronto, Canada.
- Rogers, W. A., & Mitzner, T.L. (2015, August). *Understanding the potential and challenges of designing robots for older adults*. American Psychological Association, Toronto, Canada.
- Rogers, W. A., Mitzner, T.L., Hartley, J. Q., & Harrington, C. N. (2015, April). *Identifying the potential of exergame interventions: An analysis of use challenges for novice older*

- adults*. International Association of Gerontology and Geriatrics European Region Congress, Dublin, Ireland.
- Beer, J. M., & Rogers, W. A. (2014, November). *Perceptions of usefulness for robot assistance: Differences between older adults with and without mobility loss*. Gerontological Society of America 67<sup>th</sup> Annual Meeting, Washington, DC.
- Harrington, C. N., Mitzner, T. L., & Rogers, W. A. (2014, November). *Understanding everyday task challenges for older adults with and without disabilities*. Gerontological Society of America 67<sup>th</sup> Annual Meeting, Washington, DC.
- Kerssens, C., Kumar, R., Adams, A., Matalenas, L., Knott, C., Sanford, J. A., & Rogers, W. A. (2014, November). *Tablet use and adoption by cognitively-impaired seniors: A longitudinal in-home assistive technology study*. Gerontological Society of America 67<sup>th</sup> Annual Meeting, Washington, DC.
- Rogers, W. A., Marinelli, E., Cha, G., Hartley, J., & Mitzner, T. L. (2014, November). *Kinect games for older adults: Understanding usability challenges*. Gerontological Society of America 67<sup>th</sup> Annual Meeting, Washington, DC.
- Rogers, W. A., Mitzner, T. L., Czaja, S. J., Charness, N., Boot, W., & Sharit, J. (2014, November). *Testing technology acceptance models for PRISM users*. Gerontological Society of America 67<sup>th</sup> Annual Meeting, Washington, DC.
- Rogers, W. A., Singleton, J., Mitzner, T.L., & Chen, E. (2014, November). *Experiences with technology by older adults in the deaf community*. Gerontological Society of America 67<sup>th</sup> Annual Meeting, Washington, DC.
- Barg-Walkow, L. H., & Rogers, W. A. (October, 2014). *Introducing an automated system: Effects on perception and use of the system*. *Human Factors and Ergonomics Society 58<sup>th</sup> Annual Meeting*, Chicago, IL.
- Bowman, S. E., & Rogers, W. A. (October, 2014). *Understanding contextual decision making by assisted living caregivers: Implications for training and design supports*. Human Factors and Ergonomics Society 58<sup>th</sup> Annual Meeting, Chicago, IL.
- McGlynn, S., Kemple, S., K., Mitzner, T. L., King, A.-C., & Rogers, W. A. (October, 2014). *Understanding older adults' perceptions of usefulness for the Paro robot*. Human Factors and Ergonomics Society 58<sup>th</sup> Annual Meeting, Chicago, IL. Santa Monica, CA: Human Factors and Ergonomics Society.
- Marinelli, E. C., & Rogers, W. A. (October, 2014). *Identifying potential usability for XBOX 360 Kinect Exergames for older adults*. Human Factors and Ergonomics Society 58<sup>th</sup> Annual Meeting, Chicago, IL.
- Prakash, A., Mostafa, A., Mitchell, D.B., & Rogers, W. A. (October, 2014). *Understanding older adults' health and social memory needs in the home*. Human Factors and Ergonomics Society 58<sup>th</sup> Annual Meeting, Chicago, IL.
- Preusse, K., Mitzner, T. L., Fausset, C., & Rogers, W. A. (October, 2014). *Older adults' changes in intention to adopt wellness management technologies*. Human Factors and Ergonomics Society 58<sup>th</sup> Annual Meeting, Chicago, IL.
- Smarr, C-A., Long, S., Prakash, A., Mitzner, T. L., & Rogers, W. A. (2014). *Understanding younger and older adults' needs for home organization support*. Human Factors and Ergonomics Society 58<sup>th</sup> Annual Meeting, Chicago, IL.
- Singleton, J.L., Mitzner, T.L., & Rogers, W.A. (June, 2014). *Research on technologies to support successful aging with disability*. Effective Access Technology Conference, Rochester, NY.

- Rogers, W. A., Mitzner, T. L., Fisk, A. D., Boot, W., Charness, N., Czaja, C. J., & Sharit, J. (2014, June). *PRISM development: Iterative design using human factors tools*. International Society for Gerontechnology, Taipei, Taiwan.
- Rogers, W. A., Mitzner, T. L., & Sanford, J. A. (2014, June). *A research framework to guide design of technologies for successful aging with disabilities*. International Society for Gerontechnology, Taipei, Taiwan.
- Barg-Walkow, L. H., McBride, S. E., Morgan, M. J., Mitzner, T. L., Clark, E. N., Bauer, D. T., Knott, C. C., & Rogers, W. A. (2014, April). *A system for tracking and managing older adults' osteoarthritis pain*. Cognitive Aging Conference, Atlanta, GA.
- Bobbey, S. H., Beer, J. M., Fisk, A. D., & Rogers, W. A. (2014, April). *Older adults' perceived usefulness of in-home robots*. Cognitive Aging Conference, Atlanta, GA.
- Kerssens, C., Kumar, R., Matalenas, L., Knott, C. C., Sanford, J., & Rogers, W. A. (2014, April). *Personalized assistive technology to support older adults with dementia living at home*. Cognitive Aging Conference, Atlanta, GA.
- Long, S. K., Prakash, A., Smarr, C.-A., Mitzner, T. L., & Rogers, W. A. (2014, April). *Understanding older adults' satisfaction and challenges with home organization*. Cognitive Aging Conference, Atlanta, GA.
- McGlynn, S., Mitzner, T. L., & Rogers, W. A. (2014, April). *Investigating subjective well-being as an indicator of physical health in older adults*. Cognitive Aging Conference, Atlanta, GA.
- Prakash, A., Mostafa, A., Morgan, M. J., Mitchell, D. B., & Rogers, W. A. (2014, April). *Understanding the influence of memory challenges on social and interpersonal activities*. Cognitive Aging Conference, Atlanta, GA.
- Preusse, K. C., Mitzner, T. L., Fausset, C. B., & Rogers, W. A. (2014, April). *Potential barriers and facilitators for adoption of wellness management technologies for older adults*. Cognitive Aging Conference, Atlanta, GA.
- Preusse, K., Mitzner, T. L., Fausset, C., & Rogers, W. A. (2014, March). *Activity monitoring technologies and older adults: Heuristic analysis and usability assessment*. International Symposium on Human Factors and Ergonomics in Health Care: Leading the Way, Chicago, IL.

**Research Mentoring****Post-Doctoral**

Lyndsie Koon	2017-present	TechSage and Human Factors and Aging Laboratory
Michael Bixter	2015-2017	NIH Training Grant
Courtney Hall	2006-2009	VA Advanced Research Career Development Award
Julie Boron	2005-2007	NIH Training Grant
Anne-Sophie Melenhorst	2002-2004	NSF ITR Aware Home Grant
Tracy Mitzner	2001-2003	NIH Training Grant
Christopher Mayhorn	2000-2002	NIH Strategies and CREATE Grant

Joyce Harris 1995-1997 NIH Diversity Supplement Grant

**Dissertation Chairperson:**

*Georgia Institute of Technology*

Laura Barg-Walkow	2017	Understanding multiple task coordination in a complex healthcare environment
Akanksha Prakash	2016	Understanding social connectedness of older adults who live alone
Cory Smarr	2014	Applying a qualitative framework of acceptance of personal robots
Sara McBride	2014	Understanding the cognitive processes of problem detection and decision making among assisted living caregivers
Cara Fausset	2012	Comprehension of health risk probabilities: The roles of age, numeracy, format, and mental representation (Winner: George E. Briggs Dissertation Award from Division 21)
Anne Adams	2010	Understanding the skill of functional task analysis
Marita O'Brien	2010	Understanding human-technology interactions: The role of prior experience and age
Jamye Hickman	2009	Understanding the role of presentation pace in learning a time-sensitive task
Anne McLaughlin	2007	A controlled resource approach to understanding the effects of feedback on learning (Winner: George E. Briggs Dissertation Award from Division 21)
Lisa Lewen	2007	Understanding the role of age, work context, and task demands on managers' attitudes
Aideen Stronge	2006	Understanding the role of planning in the performance of complex prospective memory tasks
Richard Pak	2005	An investigation of perceptual load, aging, and the functional field of view

*Eindhoven University of Technology*

Anne-Sophie Melenhorst	2002	Adopting communication technologies in later life: The decisive role of benefits ( <i>co-promoter with Dominic Bouwhuis</i> )
------------------------	------	---

*University of Georgia*

Nina Lamson	2003	An analysis of adult age-related differences in episodic memory: Understanding and differentiating production and utilization strategies
Brian Jamieson	1999	Incubation and aging: The nature of processing underlying insight
Gabriel Rousseau	1998	Age-related differences in the utilization of conceptually-driven processing

*University of Memphis*

Kristen Gilbert	1995	Mental models training and age differences in spatial learning
-----------------	------	--

**Dissertation Committee Member:**

<i>University of Rome La Sapienza</i>		
Lorenza Tiberio	2014	Barriers and facilitators to the use of assistive service robots for eldercare: The role of human factors in user-robot interaction ( <i>External Member</i> )

Tiffany Chen	2014	Haptic interaction between naïve participants and mobile manipulators in the context of healthcare ( <i>Robotics Program</i> )
Jenay Beer	2013	Understanding older adults' perceptions of usefulness of an assistive home robot
Kathi Olson	2013	Understanding the construct of human trust in domestic service robots
Philart Jeon	2012	Effects of affective states on driver situation awareness and adaptive mitigating interfaces – focused on anger
Jarrod Hines	2012	Understanding age-related differences in knowledge-updating in a categorized list-learning task
Keith Kline	2012	The effects of visualizations and spatial ability on learning from static multimedia instructions
Brian Gane	2011	A framework for demonstrating practice schedule effects in skill acquisition
Star Sinclair	2011	Reality monitoring, metacognitive accuracy, and aging: Expanding the view on age-related deficits for source information
Elsa Eiriksdottir	2011	The role of principles in instructions for procedural tasks: Timing of use, method of study, and procedural instruction specificity

Mike Nees	2009	Internal representations of auditory frequency: Behavioral studies of format and malleability by instructions
Kelly Caine	2009	Supporting privacy by preventing disclosures
Ken Hailston	2009	The effects of multiple feature priming on identifying and locating targets in visual search
Sung Park	2009	Social responses to virtual humans: The effect of human-like characteristics and realism
Quan Tran	2009	Visual summaries augmenting memory recall of repetitive actions ( <i>College of Computing</i> )
Neta Ezer	2008	Is a robot an appliance, teammate, or friend? Age differences in expectations of and attitudes towards personal home-based robots
Jodi Price	2008	Examining metacognitive control: Are there age-related differences in item selection during self-paced study?
Jesse Zolna	2008	Two-stage process model of learning from multimedia: Guidelines for design
Emanuel Robinson	2006	Impact of causality, strategies, and temporal cues on games of decision
Tim Nichols	2006	Explaining dual-task implicit learning deficits: The effect of within-stimulus presentation
Julian Sanchez	2006	Factors that affect monitoring behavior of automated decision aids ( <i>Winner: George E. Briggs Dissertation Award from Division 21</i> )
Jim Rowan	2005	Digital family portraits: Support for aging in place ( <i>College of Computing</i> )
Loraine Tarou	2003	An examination of perceptual and cognitive processes associated with foraging in the giant panda ( <i>Ailuropoda melanoleuca</i> )
Regan Campbell	2003	Comparing attention theories utilizing static and dynamic function allocation methods operationalized with an expert system
Bob King	2003	Perceptual grouping selection rules in visual search: Methods of sub-group selection in multiple target visual search tasks
Karen Daniels	2002	Control, automaticity, and working memory: A dual process approach
Brad Fain	2002	An investigation of attention in a consistently mapped auditory detection task
Ellen Bass	2002	Human-automated judgment learning: A research paradigm based on interpersonal learning to investigate human interaction with automated judgments of hazards
Marcie Benne	2001	Methods for assessing the influence of the visual-spatial environment on museum display attraction
Renee Stein	2001	Negative age stereotypes and older adults' memory performance: An examination of age stereotype activation and underlying mechanisms.

Holly Hancock	2001	Aging and inferencing ability: An examination of factors underlying text comprehension
Christy McGuire	2001	Memory monitoring intervention for healthy older adults.
Kathryn Bleckley	2000	Working memory capacity as controlled attention: Implications for visual selective attention
Peter Batsakes	2000	Age-related differences in dual-task search: Understanding the role of component task learning in skilled performance
Zachary Hambrick	2000	An investigation of the relative contributions of working memory capacity and domain-specific knowledge to text comprehension in adults
Paul Gay	2000	An analysis of the influence of order of part task component training on whole task performance
Sherry Mead	2000	Contributions of stimulus-driven and goal-directed processing to visual selection by older and younger observers
Richard Sit	1999	Training attentional control in multiple-task environments: A comparison of younger and older adults
<i>University of Georgia</i>		
Mark Stimson	1998	Learning from hypertext depends on metacognition
Jason Hicks	1998	Divided attention and recognition memory
Joshua Landau	1997	The revelation effect: The role of familiarity
Katharina Echt	1997	The effects of illumination, contrast, and age on text comprehension performance
Narayanan Srinivasan	1996	Spatial frequency based inhibition of return
<i>University of Memphis</i>		
Wesley Spencer	1999	The impact of working memory, amount of contextual detail, and number of sources on memory for facts and contextual information
Wendy Loken	1995	Working memory as a mediator of visuospatial attention: Evidence from normal aging
Allen Thornton	1995	Multiple sclerosis and memory functioning: Associative encoding and encoding specificity
Eugenie Bertus	1994	Differences in inference generation between young and older adults
Maureen Schmitter	1994	The effects of divided attention on the implicit and explicit memory performance of control subjects and severe closed-head injured patients
Ivan Torres	1994	Data-driven and conceptually-driven priming in aging: Towards validation of the processing approach

**Sponsor for Visiting Scholars to Human Factors & Aging Laboratory:**

Stephanie Morey	Flinders University (September-December 2016)
Willy Barnett	University of Manchester (Summer 2014)

Lorenza Tiberio	University of Rome La Sapienza (February-September 2012)
Qin Tang (Tom)	Tokyo Institute of Technology (August -December 2011)
Wang-Chin Tsai (Wangwang)	National Yunlin University of Science and Technology (March 2010-February 2011)
Kathryn (Thomas) Fike	University of Southern California Gerontology Center (Summer 2007)
Olivier Blanson Henkemans	Delft University of Technology & TNO (Aug-Dec 2006)
Anne-Sophie Melenhorst	Eindhoven University of Technology (Aug 2000-Feb 2001)

**Preliminary Examination Committee:****Committee Chair:**

Sean McGlynn	in progress due 4/19/17

### **Research Consultation Activities**

Medication Education, Decision Support, Reminding and Monitoring System (MEDSReM)	University of Arizona, PI Kathie Insel
Digital Life Living in Place Field Study	AT&T Digital Life project with Lee Callaway
Development of Personalized Assistive Technology to Improve Dementia Care at Home	SBIR awarded to SimpleC – PIs Chantal Kerssens then Anne Adams
Cognitive Training and Dual Task Ability in Older Adults	VA Research Award awarded to Courtney Hall – Atlanta VA & Emory University
Home-Based Automated Therapy of Arm Function after Stroke via Tele-Rehabilitation	R01 awarded to Gitendra Uswatte – University of Alabama at Birmingham (Taub Training Clinic)
Dual-Task Ability and Fall Risk in Older Adults	VA Research Career Development Award to Courtney Hall – Atlanta VA & Emory University
Computer-Based Assessment of Mild Cognitive Impairment	SBIR awarded to Walter Schneider – Psychological Software Tools
Understanding and Improving Functional Health Literacy for Older Adults	National Institutes of Health Grant submitted by Joyce Harris (University of Texas)
Information Technologies to Improve Patient Adherence	National Institutes of Health Grant awarded to Raymond Ownby (University of Miami)
Mental Models as a Training Tool for Young and Old Adults	National Institutes of Health Grant applied for by Kristen Gilbert (U. of Montevallo)
A Home-Care Companion for Enhanced Medication Compliance	Small Business Innovation Research Program Grant submitted by IA, Inc.
Computational Approaches to Aging, Vision, and Search	National Institutes of Health Grant applied for by Beth Davis (Georgia Tech)
Automatic Process Development Following Closed Head Injury	National Institutes of Health Grant awarded to Maureen Schmitter-Edgecombe (Washington State University)
Graphic User Interface Analysis	Partner Software

Automatic Teller Machine Design

Public Transportation Project

Model Home for the Elderly

Part-Task Training Review

National Cash Register (NCR)

Creative Action, Akron, Ohio

Berlin, Germany

International Business Machines (IBM)
