

CURRICULUM VITAE

NAME: Hillary Sandra Klonoff-Cohen

BIRTH PLACE: Seattle, Washington

CURRENT TITLE: Professor

WORK ADDRESS: Department of Family and Preventive Medicine, 0607
University of California, San Diego
La Jolla, California 92093-0607

WORK TELEPHONE: (858) 822-2966

EMAIL: hklonoffcohen@ucsd.edu

EDUCATION: B.A. Psychology. University of British Columbia
Vancouver, British Columbia, Canada. 1972-76.

M.S. Biology. Department of Health Sciences
University of Bridgeport, Connecticut. 1983-85.

Ph.D. Epidemiology, School of Public Health
University of North Carolina, Chapel Hill, NC. 1985-87.

Title of Dissertation: "Immunologic Factors in Pre-Eclampsia:
Sperm Antigens and Placental Weight"

CERTIFICATION: Associateship, Royal Conservatory of Toronto, Ontario, Canada.
Performer's Degree in Piano. June 1973.

Certificate in Human Nutrition, College of Health Sciences,
University of Bridgeport, Bridgeport, Connecticut. May 1984.

HONORS: Who's Who in the World, Who's Who in America, Who's Who in Science
and Engineering, and Who's Who of American Women, 2005-present

Nominee for Greenberg Award for Dissertation Excellence
University of North Carolina, Chapel Hill, 1988.

Public Health Traineeship Award, University of North
Carolina, Chapel Hill, 1985-1986, 1986-1987.

Academic Scholarships, University of British Columbia,
1972, 1973, 1974, 1975.

ACADEMIC APPOINTMENTS:

- 07/2005 – Present Full Professor In Residence, School of Medicine,
Department of Family & Preventive Medicine, Division of Epidemiology,
University of California, San Diego
- 07/1998- 06/2005 Associate Professor In Residence, School of Medicine,
Department of Family and Preventive Medicine, Division of Epidemiology,
University of California, San Diego.
- 07/1997 – 06/1998 Associate Adjunct Professor, School of Medicine,
Department of Family and Preventive Medicine, Division of Epidemiology,
University of California, San Diego.
- 09/1990 – 06/1997 Assistant Adjunct Professor, School of Medicine,
Department of Family and Preventive Medicine, Division of Epidemiology,
University of California, San Diego.
- 03/1989 - 02/1990 Consultant, San Bernardino Medical Center, Dept of Family Medicine.
- 02/1988 – 03/1989 Staff Epidemiologist, Eisenhower Medical Center, Hal B.
Wallis Research, Rancho Mirage, California.

SELECTED FUNDED RESEARCH:**Current**

- 9/2008-09/2013 *Co-Investigator: Klonoff-Cohen*
Co-PI's: Navarro, A.M., Carethers, J., Klonoff, E.A., & Maloy, S.R.,
Comprehensive SDSU-UCSD Cancer Center Partnership. National Cancer
Institute (U54 CA132379), \$5,600,000 direct costs.
- 09/2010-present Principal Investigator: Klonoff-Cohen
Supplement to Comprehensive SDSU-UCSD Cancer Center Partnership
Administrative Supplements to Increase Public Awareness of Pediatric Cancers
and Available Treatments and Research
LEAP³ AHEAD: Late Effects Awareness for Public, Patients, Physicians:
Advancing Health by Eliminating All Disparities
- 09/2010-present Co-Investigator: Klonoff-Cohen
NCI 1U01CA159533-01
"Using NRT and Quitline Services to Help Hospitalized Smokers Stay Quit"
- 08/2011-07/2012 Principal Investigator: Klonoff-Cohen
U54 SDSU-UCSD Cancer Center Comprehensive Partnership Application for
Pilot Research Projects.
Identifying disparities in pediatric and young adult female cancer patients
seeking fertility preservation
- 10/2011-09/2012 Consultant: Klonoff-Cohen
Principal Investigator: Dr. Matt Allison
NHLBI 5R01HL088451-05
Abdominal Body Composition, Inflammation and Cardiovascular Disease

Under review

Principal Investigator: Klonoff-Cohen
 National Institute on Alcohol Abuse and Alcoholism NIH/NIAAA
 PA-11-308 Secondary Analysis of Existing Alcohol Epidemiology Data (R01)
Secondary Analysis of Alcohol and SIDS Databases

Principal Investigator: Klonoff-Cohen
 National Institute of Nursing Research
 PA-11-104 Reducing Health Disparities Among Minority and Underserved
 Children (R01)
Risky Behaviors intervention for diverse racial/ethnic pediatric cancer survivors

Principal Investigator: Klonoff-Cohen
 Patient-Centered Outcomes Research Institute
 Pilot Project Grants
Female Cancer Patients' Barriers and Concerns Regarding Fertility Preservation

Principal Investigator: Klonoff-Cohen
 Aetna Foundation
*An approach to better understand and care for cancer survivors in the primary
 care setting*

SELECTED FUNDED RESEARCH:**Past**

- 11/2003 – 09/2010 *Principal Investigator: Klonoff-Cohen*
 "Environmental tobacco smoke, biomarkers, and childhood asthma."
 Environmental Protection Agency (STAR Award- Biomarkers for the Assessment
 of Exposure and Toxicity in Children) \$750,000 initial award and \$120,000
 supplement
- 06/2005 – 05/2008 Principal Investigator, California Breast Cancer Research Program.
 "Hormones, Psychologic, Immunologic Factors & BC Survivorship."
 \$1.5 Million
- 09/2003- 10/2004 Co-Investigator, First Five Commission of San Diego, Department of Health
 Services.
 "Save Our Children's Sights (SOCS)" Mobile Pre-school Eye Care
- 07/1999 – 06/2002 Co-Investigator, California Tobacco-Related Disease Research Project
 "Telephone counseling for pregnant smokers"
- 02/1999 – 06/2003 Principal Investigator, California Breast Cancer Research Program.
 Translational research collaboration award.
 "Timing of breast cancer surgery, menstrual cycle and prognosis." \$506,070
- 07/1998 – 06/2003 Principal Investigator, California Tobacco-Related Disease Research Program
 "Role of passive smoke on sperm, intracytoplasmic injection, and in vitro
 fertilization." \$628,862
- 06/1993 – 01/1999 Principal Investigator, California Tobacco-Related Disease Research Program

"Effect of Smoking on Success Rates of in vitro fertilization (IVF), and gamete intrafallopian transfer (GIFT)"

- 07/1993 – 06/1995 Collaborator, National Institutes of Health,
"Apache White Mountain Mother/Infant Diabetes 2000"
- 09/1992 – 08/1994 Principal Investigator, California Tobacco-Related Disease Research Program
Career Development Award.
"Effects of Passive Smoking on Sudden Infant Death Syndrome." \$449,805
- 09/1990 – 08/1992 Principal Investigator, California Tobacco-Related Disease Research Program
New Investigator Award.
"Effect of Passive Smoking on Sudden Infant Death Syndrome." \$300,000

PROFESSIONAL MEMBERSHIPS:

American Public Health Association, Epidemiology Section
 Southern California Public Health Association
 Society of Epidemiologic Research
 Cancer Center, Full Member, University of California, San Diego
 Association for Women in Science
 Public Health Alumni Association, University of North Carolina, Chapel Hill
 American Society for Reproductive Medicine
 The Society for Reproductive Endocrinology & Infertility
 European Society of Human Reproduction and Embryology
 International Society for Fertility Preservation

ADVISORY COMMITTEES (State):

Current

January 1999- Present. Office of Environmental Health Hazard Assessment, Developmental and Reproductive Toxicants Identification (DART) Committee. Sacramento.

Past

- April 1994 - May 1998
March 2002- 2004. System-Wide Cancer Research Coordinating Committee,
University of California, Office of the President.
- January 1995 - June 1995. Committee on Breast Cancer and Abortion, California Medical Association.

COMMITTEES (Federal):**Past**

- March – May 2005 United States Environmental Protection Agency, Office of Research and
Development, National Center for Environmental Research, Peer Review
Committee for Early Indicators of Environmentally Induced Disease.
- 1999, 2008 National Institute for Child Health and Human
Development Study Section

COMMITTEES (Local):**Current**

- September 2000 – June 2009 Admissions Committee for Medical Student Training Program
(Joint MD/PhD)
- June 1999 – 2008 Bioethics Committee Member, University of California,
San Diego.
- January 1999– 2008 Independent Study Project Program Faculty Committee for medical
students, University of California, San Diego.
- February 1999 – Present National Center for Leadership in Academic Medicine (NCLAM),
University of California, San Diego.
- September 1993 – Present Cancer Prevention and Control Committee, University of California,
San Diego
- February 1992 – Present Admissions Committee, SDSU-UCSD Joint Doctoral Public Health
Program.
- March 2008- Present Multi-disciplinary Advisory (MAC) Committee for Post-doctoral Cancer
Disparities Program
- July 2010-Present Head, Advisory Board for LEAP AHEAD Committee Childhood Cancer:
Late Effects Awareness for Patients, Physicians and the Public

Past

- September 1999-2001 Elected Member of the Academic Senate Representative Assembly for the
Department of Family & Preventive Medicine
University of California, San Diego
- Dec 1996 – Jan 1999 Institutional Review Board Committee for the Protection of Human
Subjects

University of California, San Diego.

March 1994 – 2001 Infant Mortality Review Program Advisory Committee
San Diego County Department of Health Services.

COMMITTEES (International):

2004 Grant Review Committee. Swiss National Science Foundation.

2007- Present European Society of Human Reproduction and Endocrinology

2011 Italian Ministry of Health, Grant Review Committee

INVITED PRESENTATIONS AND PRESS:

PRESENTATIONS

June 1988 **An Immunologic Factor in Preeclampsia Sperm Antigens**
Annual meeting of the Society for Epidemiologic Research, Vancouver, B.C.,
Canada.

February 1991 **Immunology, Contraception and Preeclampsia**
Clinical Epidemiology Conference, University of California, San Diego

June 1991 **Albumin in the Healthy Elderly**
Annual meeting of the Society for Epidemiologic Research, Buffalo, New York.

February 1993 **Epidemiology and Risk Factors for Sudden Infant Death Syndrome**
Grand Rounds, Department of Pathology, Children's Hospital, San Diego,
California

June 1993 **Job stress and Preeclampsia**
Society for Epidemiologic Research, Keystone, Colorado. June 1993.

May 1993 **Title V Block Application Funds**
Testified at Hearings in Berkeley and Los Angeles for the State Department of
Health Services, Maternal and Child Branch.

May 1993 **Passive smoking and SIDS**
California State Legislature, Sacramento, California.

December 1993 **Impact of smoking on birth outcomes**
Tobacco-Related Disease Research Program Conference, Moderator and
Speaker, San Francisco, California.

January 1994 **Infant sleep position and SIDS risk**
Guest speaker, National Institute of Health, National Center for Health Statistics,
and American Academy of Pediatrics International Conference. Bethesda,
Maryland.

May 1994 **Passive Smoking and SIDS**
California State Legislature, Sacramento, California.

- June 1994 **In vitro fertilization Research Project**
Human Transplantation Meeting, Institute of Medicine, Irvine, California.
- June 1995 **Environmental Tobacco Exposure and Proposition 65**
West Coast Teratology Meeting, San Francisco, California.
- May 1996- Oct 1997 **In Vitro Fertilization and Gamete Intrafallopian Transfer Orientation:
IVF/GIFT Research Study**, Sharp and San Diego Fertility Centers.
Improving the odds of SIDS
- December 1997 Parenting Magazine:
February 1998 *Journal Club, Pediatrics, UCSD* Risk factors for SIDS: sleep position.
- October 2004 **Environmental Tobacco Smoke, Biomarkers, and Childhood Asthma**
Poster presentation, Environmental Protection Agency STAR Human Health Symposium.
- May 2005 **Environmental tobacco smoke, biomarkers, and childhood asthma.**
U.S. Environmental Protection Agency Region 6 Conference Presentation.
Dallas, TX.
- October 2005 **Asthma.** Environmental Protection Agency 15th Annual Quality Assurance Conference, Session B.
- November 2007 **Passive Smoking, Inflammatory Markers and Childhood Asthma.**
American Public Health Association Annual Meeting Presentation.
Washington D.C.

INTERNATIONAL PRESENTATIONS:

- March, 2005 **The Impact of Male and Female Smoking, Alcohol, Caffeine, and Marijuana Use on IVF/GIFT Outcomes**
Round Table, International Academy of Human Reproduction, 12th World Congress on Human Reproduction. Venice, Italy.
- June 2006 **Stress and Reproduction**
Plenary Talk, European Society of Human Reproduction and Embryology, Prague, Czech Republic.
- May 2009 **Caffeine, Alcohol, Stress and IVF**
Reproductive Medicine and Beyond: The 3rd International IVI Congress, Madrid Spain.
- December 2011 **Enhancement of a Database for Fertility Preservation**
The International Society for Fertility Preservation.
The 2nd World Congress on Fertility Preservation. Miami, Florida

PRESS (examples till 2008)

- 1991 – 1992 **Contraception and Preeclampsia.**

Newspapers: The Washington Post, The New York Times, Associated Press, and US News.

Radio Broadcasts: National Public Radio, Physician's Radio, KPBS, and KFDO.

Television Broadcasts: ABC News, PBS, and Lifetime TV.

National Magazines: Obstetrics and Gynecology Report, Woman's Health, Contraception Technique update, & New Woman's magazine.

TEACHING:**Current**

Winter 2011	Developed and taught 5-unit course on Cancer Disparities to post-doctoral Cancer Disparities students.
Fall 2010	Director of Core Epidemiology SOM 218 course for second year medical students.
2010-present	Post-Doctoral Program Director for Cancer Disparities (under NCI U-54 Joint-Post-Doctoral Committee Training Grant on Cancer Disparities.)
Fall 2009-2010	Developed and taught Post-Doctoral Cancer Disparities Seminar.
Winter 1991-2009	University of California, San Diego: School of Medicine Design and teach: Family & Preventive Medicine/Reproductive Medicine 232: Perinatal Epidemiology.
1994- 2007	Family & Preventive Medicine 258B: Graduate Epidemiology Questionnaire Design.
July 2004	Clinical Research Enhancement through Supplemental Training (CREST) for physicians/scientists.
Fall 1991-2010	School of Medicine 218, Core Epidemiology, Small Groups (supervised for two years and participated in for all years) Family & Preventive Medicine 226: Guest Lecturer Controversies in Cancer Etiology

Fall 1992, 1994
Fall 1993, 1996

Etiology: Breast Cancer and Lactation
Tamoxifen and Breast Cancer

**Advisor for medical students and doctoral epidemiology students:
Past and Current Students (examples of > 150 students)**

Student	Training Period	Status	Topic of Research Project (Biosketch publication number)	Current Position
David Kaege	1993-1997	Med Student	Passive smoking and SIDS (#9)	Pediatrician
Kristina Woodard	1993-1997	Med Student	SIDS	Family physician
Suzanne O'Leary	1992-1998	Ph.D.	University Senate Award, Risk Factors in Endometriosis	Downs syndrome advocate
Jyoti Rau**	1992-1996	Ph.D.	SIDS and smoking	M.D./Ph.D.
Suzanne Lindsay	1993-1998	Ph.D.	Rape Sequelae	Faculty, SDSU
Julie Cross	1987-1993	Ph.D.	Job stress and preeclampsia	Health Department
Laura Schaffroth	1994-1996	M.P.H.	Breast cancer histology	Health Department
Cristina Chambers	1995-2002	Ph.D.	Fetal alcohol syndrome	Faculty, UCSD
Maria Zuniga	1993-1998	Ph.D.	Immunizations	Faculty, UCSD
Victoria Chen	1994-1998	Med Student	Recreational drugs and IVF (#20)	Pediatrician
Carrie Blanc	1993-1997	Med Student	ABO blood groups and SIDS	Family physician
Elaine Chu	1993-1997	Med Student	Stress and IVF (#22)	Radiologist
Christina Gonzales	1993-1997	Med Student	Recreational drugs and IVF (#20)	Family physician
Julie Bleha	1993-1997	Med Student	Caffeine and IVF (#23)	Family physician
Aimee Lewis	1993-1997	Med Student	Air pollution and SIDS (#29)	Pediatrician
Laura Robert*	1997-2001	Med Student	Smoking and IVF	Family physician
May Thai *	1996-2000	Med Student	Genetics and SIDS	Pediatrician
Wendy Hui*	1996-2000	Med Student	SIDS in Washington D.C.	Pediatrician
Carol Cho*	1994-1998	Med Student	IVF	Faculty
Sian Jones	1994-1998	Med Student	Complementary modalities	Family physician
Zandra Tze	1995-1999	Med Student	Timing of breast cancer	Surgeon
Cathie Chu	1995-1999	Med Student	Timing of breast cancer	Pediatrician
Jennifer Kraus	1998-1999	Ph.D.	Preeclampsia	
Martha Ramirez,MD	1998-2004	Ph.D.	Neural tube defects and environmental exposures	Head, Obs & Gyn
Martha Engelbrecht*	1998-2002	Med Student	IVF	Faculty
Alexis Raines	1998-2002	Med Student	Illness in day care	Family physician
Patty Yeh	1998-2000	Med Student	Medical school education	Obstetrician
Dave Peng*	1998-2000	Med Student	Smoking and IVF	Faculty, USC
Rebecca Bloc	1999-2000	Med Student	Vaccinations and SIDS	General physician
Felicia Tornabene*	1999-2000	Med Student	IVF	Internal Medicine
Paula Amato,MD	1999-2000	Junior Faculty	NCLAM Program ¹	Faculty, Canada
Lisa Kennedy	2000-2001	M.P.H.	Oral contraceptives and breast cancer	Ph.D. student
Sasha Lewis	2000-2004	Med Student	Paternal age and ICSI (#27)	Obstetrician
Phung Lam	2000-2004	Ph.D.	Recreational drug use and SIDS, caffeine and IVF, alcohol and IVF, air pollution and SIDS (#20,	Faculty, UCSD

			#23, #24, #29)	
Rachael Moore*	2001-2005	Med Student	IVF	Resident
Hugo Salguera*	2001-2005	Med Student	Biomarkers and Asthma	Resident
Neha Jain*	2003-2006	Med Student	Pre-term birth in IVF and ICSI	Student
Erin Skolness*	2003-2007	Med Student	Risk of Melanoma in Med Students	Student
Kim Maxon*	2001-2005	Med Student	Thumb to forearm flex test and delivery	Resident
Steve Schultz, DDM	2003-2006	Ph.D.	Autism (#33)	Research, Naval Academy
Ludmilla Bakhireva	2003-2007	Ph.D.	Asthma medications and birth defects	Faculty, New Mexico
Joanna Whiteley	2000-2001	Med Student	Asthma	Family medicine
Melissa Kagnoff*	2002-2006	Med Student	Parkinson's, tamoxifen, breast cancer	Neurology Resident
Tony Jolly	2000-2005	Med Student	Asthma	Pediatrician
Elizabeth Shaw	2004-2008	Med Student	Thumb to forearm flex test and delivery	Ob Resident
Phuong Truong	2006-2008	Undergrad	Breast cancer	Student
Kevin Riutzel	2006-2007	Undergrad	Smoking and cardiovascular disease in Asians	MPH
Louise Laurent, MD	2006-	Junior Faculty	Preeclampsia	Faculty, Perinatology
Maryam Tarsa, MD	2006-	Junior Faculty	AFP, placentas and preeclampsia	Faculty, Perinatology
Sylvia Armenta	2006-	Post-bac MD	Breast cancer	Internship
Romina Romero	2009-	Ph.D.	Third Hand Smoking	Doctoral Student
Jacqueline Major	2008	Ph.D.	Prostate Cancer	Doctoral Student
Tiffani Phan	2008-2009	Student	Childhood asthma	Med student
Oliver Refugio	2008-2011	M.P.H.	Late Effects of Childhood Cancer	Student
Nicole Constantz	2009	Student	Childhood Asthma	Med Student
Miriam Ayad	2009-2010	M.P.H.	Fertility Preservation Internship	Student
Signe Ebbesen	2010	Ph.D.	Expressive writing intervention on stress and IVF success	Post-doc Denmark
Gretchen Bandoli	2010	M.P.H.	Fertility Preservation Internship	Student
Joanna Jacobsen	2010-2011	M.P.H.	Fertility Preservation database	Student
Kim Tran Carpiuc	2010-2011	Ph.D.	Ophthalmology	Doctoral Student
Honna Sawada	2010-2011		Fetal Alcohol Effects and Minor alcohol effects	UCSD Dept of Pediatrics
Maggie Syme	2011	Ph.D.	Late Effects of Childhood Cancer	Post-Doctoral
Marni Jacobs	2010-2011	Ph.D.	IVF- Single embryo transfer	Doctoral Student
Rani Gallardo	2010	Student	Late Effects of Childhood Cancer	M.P.H.
Bryan Phan	2007-2011	Student	Childhood asthma	UCSF Dentistry Student
